ers will be distributed by the new

county boards. More than 480, bureaus and boards including the poor board system in 374 townships, boroughs and countles would be eliminated. The new system also would remove more than 700 el-39 active county or regional emer-

gency relief boards. Abolition of the State Emergency Relief Board would take place June 1. 1937. A merit system for per-

#### MILLHEIM'S POSITION WITH REGARD TO BASEBALL health.

With Rebersburg joining the Tri-Valley Baseball League and the Centre County League definitely organized in a four-club circuit, the Millheim club champions on several occasions, finds itself alone, with no alternative but to play independent ball this season. This is indeed sad. It appears that apathy towards the great national past-time has seized one and all in that thriving community. Attempts have been made to get players together, but to no avail, and citizens themselves during take of drawing away from the old ly of Centre Hall. the fact that Millhelm made the misleague and joining up with the Centre different! Especially Centre Hall will be appreciated. where rivalry on the ball field was traditional. The two clubs could altion at every opportunity.
