A COLLECTION OF NEWSY HAPPENINGS AND PERSONALS FROM GREGG TWP.'S METROPOLIS.

**G. T. V. S. Alumni Benefit Dance**—The Alumni of the Gregg Vocational school will hold a benefit dance in the auditorium-gymnasium at Spring Mills, on Friday night, April 23. Receipts from this dance will be applied to the purchasing of various equipment for the new building.

**Bob Lyons' All Stars**, from Sunbury, will furnish the music for both round and square dancing. Refreshments will also be served. Admission, 25c to all. Everybody welcome.

**Gregg T. V. Party in Gym**—The second all G. T. V. S. party of the school year was held in the gymnasium at Spring Mills last Friday night. The gym was nicely decorated with balloons and crepe paper, which produced with the colored lights a beautiful effect. Games were played and both round and square dancing were engaged in during the evening's program. Refreshments were served by the students which were relished by all. Practically all high school pupils attended the function.

**Pre-School Clinic Planned for Gregg Twp.**—Plans are being made for a pre-school clinic to be held in the primary room at Spring Mills some time before the close of the present school year. Parents of children who will enter first grade in any of the schools of the township will be given an opportunity to bring their children to this clinic where a thorough physical examination will be made by a physician assisted by a registered nurse. It is the hope of the committee in charge of this clinic that all prospective first grade pupils will attend. More definite information will be given at a later date through the various schools of the township and the papers.

**G. T. V. S. Schedule**—The baseball schedule for this season is as follows: April 20, at Legantown; April 23rd, at home with Howard; April 29, at Hubbersburg; May 4, Howard (away); May 7, Legantown, at home; May 11, Hubbersburg, at home. The team will play in the Eastern Division of the High School League.

**Mrs. Confer Has Relapse**—Up to Saturday Mrs. A. C. Confer, a patient in the Lewistown hospital, appeared to be improving, but on Sunday she took a chill and since her condition has been critical, Monday forenoon a second blood transfusion operation was resorted to. She had a great desire to return to her home, and as soon as it is at all possible to move her the request will be complied with.

Her daughter-in-law, also a patient in the same hospital, is recovering. Swelling in the lower limbs prevented her from leaving the institution beginning of the week.

**Erysipelas Ties Up Cashier Erdley**—Since last Thursday H. F. Erdley, cashier of the First National Bank, has been confined to bed from a severe attack of erysipelas on his face and scalp. His condition on Monday was considerably improved.

The community regrets the death of Wm. M. Sweeney, at Potters Mills. Miss Miriam Tachudy was a dinner guest of Miss Evelyn Brooks, on Saturday, at the Brooks home.

**Boy, 6, Suffers Broken Leg**—Donald, almost six years old, son of Mr. and Mrs. Foster Breen, on Wednesday, was struck on the right leg when a motorcycle he was examining fell on him. The stroke broke the large bone between the knee and ankle. The accident occurred at the home of his grandparents, Mr. and Mrs. J. C. A. Heckman, where the motorcycle of William Heckman was parked.

Miss Rosella Hettinger, daughter of Mr. and Mrs. Elmer C. Hettinger, a student in the Altoona School of Commerce, was at the parental home over the week-end.

Mrs. Archie Detwiler has been suffering with a carbuncle on her neck. It was necessary to resort to the lancet before relief was obtained.

Bobby Henshen, Gregg T. V. S. student, suffered an injury to one of his hands while performing duties at the school. It was necessary for the youth to obtain medical attention.

**Free Movie Pictures and Lecture**—Under the auspices of the Spring Mills Game and Fish Association, R. W. Thompson will give an illustrated lecture on "Wild Life in Pennsylvania" in the high school auditorium on Thursday evening, April 22nd, 8:00 o'clock. Mr. Thompson is thoroughly conversant with his subject and will be able to both instruct and entertain his audience.

Mr. and Mrs. Paul Hettinger, of Altoona, visited at the home of Mr. and Mrs. Miles Decker, east of Centre Hall, and also visited at the home of Mr. and Mrs. E. C. Hettinger, in Spring Mills.

A son was born to Mr. and Mrs. W. C. Hasenpflug on Monday at 10 a. m. It is the first child to the couple, married for several years.

Mrs. S. L. Condo was permitted to leave her bedroom during the forepart of this week for the first time in four or five weeks.

Mr. and Mrs. Guy Corman and Mrs. Annie Smith motored to Belleville, on Sunday, where they were guests of Hon. Lowell Alexander and Mrs. Alexander for the day.

**See Japanese Cherry Blossoms**—Mr. and Mrs. Carl Myers, Melvin Stover, Miss Bernice Smith, of Spring Mills; George Lutz, of Centre Hall; and Miss Reed, of Milroy, comprised a party to go sightseeing to Washington, D. C., over the week-end. The Japanese cherry blossoms were one of the big attractions.

Mr. and Mrs. W. F. MacMorrin and young daughter also took a look at the cherry blossoms in the Nation's capital, on Sunday, and then went on to Beltsville to visit with the former's sister, Mrs. Ralph Kennedy. A point of great interest to

the couple was Greenbelt, dubbed locally "Tugwelltown," where a resettlement project is being carried on. A large number of six-family apartment houses are being constructed as well as school houses, community centers, etc. The section of country selected, Mr. MacMorrin says, is almost identical with that of the Barrens, back of State College, before federal money shows its influence.

Mr. and Mrs. Charles Leitzell, of Vira, visited the homes of R. G. Kennedy and G. C. King, on Sunday.

Bruce Bailey and Mrs. Sylvia Grenoble, also Mrs. D. M. McCool are having their respective homes improved by papering and painting.

Clair Brungart, of Mifflinburg, representing the Baum Sporting Goods company, Sunbury, delivered some of the equipment for the Spring Mills baseball club to the manager H. E. Stover. The Tri-Valley league will use the Draper-Maynard 200C ball during the season and will buy from the Sunbury firm.

Mr. and Mrs. D. R. McCool and daughter, Miss Catharine McCool, of Altoona, were Sunday guests at the home of Mrs. D. M. McCool. Miss McCool is in training for nursing in the University hospital, Philadelphia.

**Kings Celebrate 40th Wedding Anniversary**—Sunday it was forty years since Mr. and Mrs. George C. King were united in marriage at the Reformed parsonage, Centre Hall, by Rev. H. S. Isenburg. The couple began housekeeping in a part of the home they now occupy, the other section having been occupied by Mrs. Mary Rosa Krape, mother of Mrs. King. With the exception of four years, Mr. and Mrs. King have lived there continuously. Mr. King has been one of Spring Mills' outstanding citizens, and had been extremely active up to within the past eighteen months when he was stricken with paralysis, partially invaliding him. While his limb movements aren't so free, his mind is as active as ever, and what is more, he continues to carry through in his former most pleasing disposition. He is never disgruntled, never complains, but is always that genial Cal King of years ago. On Saturday Mr. King celebrated his 71st birthday anniversary. "Long live the King(s)!"

Rev. Heisey, assisted by M. L. Royce, are wiring the farm buildings on the former McCool farm for Mrs. Sylvia Grenoble.

The E. C. Hettlinger home is being remodeled, an open stairway being built, new doors and windows being supplied. The house was also wired for electric lighting, the wiring being done by S. W. Heisey, and the carpenter work by Harvey Hagen and Harry Shreckengast.

**SO MUCH FOR SO LITTLE!**

"I'm a telephone salesman and there's nothing I'd rather sell than telephone service. Why? Because nothing gives you so much for so little as a telephone. It can save you time and trouble... run your errands... do your shopping. It can protect your family in case of sickness and save your home in case of fire. It keeps you in touch with friends and family in town or away from home. It opens the door to business opportunities because people can reach you quickly and easily. And it puts your name in the telephone directory!

"So it seems to me that I'm doing people a real service by pointing out how much a telephone can do for them and how little it really costs when you consider its many advantages."

You can have a telephone in your home for less than a dime a day. Just call the Business Office—it's a free call—and say "I want a telephone." Or ask any telephone employee.
