Keep Cool for little money

It's going to be hot this summer. Lots of folks are going to swelter and stew in kitchens whose old-fashioned stoves heat up the whole room.

A few, fortunately more far-sighted, will keep cool, avoid extra work, save money and be happy by spending just a few cents a day for the greatest service ever brought to farm, rural and suburban communities—Atlantic States Gas.

Your kitchen will be 20° cooler—the air fresher, with a beautiful Tappan Gas Range. Heavy insulation keeps heat in the oven. You can own this marvelous summer comfort for the price of a package of cigarettes a day. Cost about 2 1/2¢ per meal to cook with GAS.

You can make delicious frozen desserts with the new Electrolux Gas Refrigerator. Constant, steady cold—no stopping and starting. Preserves perishable foods at safe temperatures... Permanent silence. Actually pays for itself in savings. The finest refrigerator made.

There's nothing like a daily warm bath or shower followed by a cold spray during hot weather. Whitehead Automatic Gas Water Heaters provide all the hot water you want for the bath, laundry, dishes and housecleaning. Easy monthly terms arranged.

Your Own Private Gas Supply Only \$9.75
Atlantic States Gas is not a bottled gas... not gasoline. But a pure refined natural gas. Non-poisonous. Stored in an underground tank in your yard—piped to the gas appliances in your house. Takes only 6 hours to install. Phone or write today.
