

Spring Mills

A COLLECTION OF NEWSY HAPPENINGS AND PERSONALS FROM GREGG TWP.'S METROPOLIS.

Many Enjoy Junior Play—The junior class play, "Happy Landings," presented by the junior class in the school auditorium at Spring Mills Friday afternoon and evening, was well attended. More than two hundred school children attended the matinee. This performance was greatly enjoyed by this group of young people. In the evening an appreciative audience gathered in the auditorium. Gross receipts were a little more than \$50. The class appreciates the support received from the people. Between Robert Myers and John Shook, co-captains of the soccer team, with their coach, Mr. J. W. Decker, and teammates, received the Centre County Interscholastic Soccer cup and the trophy given to the winner of the Central Penna. championship. The two cups were won during the past soccer season.

Basketball Season Opens Friday—The boys' and girls' teams representing Gregg Twp. Vocational will open the current basketball schedule with games with teams from Snow Shoe at Spring Mills on Friday evening at 7:30 p. m. in the gymnasium. This will be the opening game in the Centre-Clinton League for both teams and the only home game before Christmas for the Gregg ball players. The Gregg boys will line up for their first game without the services of any regulars from last year's team. Four of last year's varsity graduated and one other dropped out of school. The girls' squad was not so hard hit by graduation, and will put on the floor a veteran team for the opener. Admission to home games is 15c and 25c. The girls' game will be played first, starting at 7:30 with the boys' game following. It will be remembered that the Snow Shoe girls' team won the league championship last year, while it was the Snow shoe boys who by defeating the Gregg boys at Snow Shoe the last game of the season last year, kept them from finishing at the top of the league. Two good games should be in store for the openers on Friday.

Children's Christmas Program—The Spring Mills grade pupils will present a children's Christmas program in the school auditorium at Spring Mills on Thursday, December 23 at 1 p. m. Everybody is invited to come. There will be no admission fee.

Fortunately none of the parties involved were injured.
