## Service Charges

(Effective as of January 1, 1938)

*In order that all our patrons, and others, may have a full understanding of the Service Charges of this Bank, those recently placed in effect, and those that have been in use, we are publishing the following explanatory statements—*

#### CHECKING ACCOUNTS

On accounts where the average balance in any one month falls below \$50.00, a minimum charge of 50c will be made.

(Explanation: This means that accounts that AVERAGE less for the month than \$50 will be subject to a service charge. This applies to CHECKING ACCOUNTS.)

**"Not Sufficient Funds,"**—a charge of not less than 25c shall be made of each check drawn against an account when funds are not available, including postdated checks.

(Explanation: It is a criminal act to draw a check in excess of the drawer's bank balance. To save the patron embarrassment employees frequently spend time telephoning and, if necessary, calling at the home of the patron. For this a nominal charge of 25c, minimum, is made.)

#### OVERDRAFTS

Overdrafts will not be allowed. Should overdrafts occur, not less than 25c per item shall be charged.

(Explanation: This statement may sound a bit contradictory. If not allowed, how can they occur? There may be RARE exceptions when this Bank may deem it expedient to allow an overdraft. For example: If a patron issues a check to the Department of Revenue for automobile registration plates. When the check reaches this bank there are not sufficient funds. We are unable to contact this patron and the law requires prompt disposition of the check. If we returned this check because of "Not Sufficient Funds" and thereby saved this bank from having an OVERDRAFT, the Department of Revenue would immediately lay a "Service Charge" against this patron of \$5 plus all other expenses connected with adjustment of the transaction. We ask a minimum of only 25c.)

#### CASHIER'S CHECKS AND DRAFTS

A charge of 10c per item shall be made for each cashier's check or draft.

(This simply means that a charge of 10c will be made for the service of Cashier's Checks or Drafts.)

#### CASHING OUT-OF-TOWN CHECKS

The following charges will be made: 10c on amounts up to \$50.00; 15c, \$50.00 to \$100.00; 25c, \$100.00 to \$250.00; and 1-10th of 1% on amounts of \$250.00 or more.

(This does not mean our patrons will be charged for cashing checks they present. It DOES mean, however, that persons NOT PATRONS of this bank, living outside this banking area, will be asked to pay this very small charge for the service rendered.)

#### CHECK BOOKS

A reasonable charge will be made for check books. (This does NOT apply to the regular small checks when requested by patrons but applies only to the larger more expensive, special check.)

There shall be a charge of 50c for all checking and savings accounts that are CLOSED within 60 days after opening.

(Merely a small charge to partially cover the expense of opening and closing an account of this nature.)

#### NOTES

A minimum charge of 50c on all loans, regardless of size, shall be made.

(Notice that is a MINIMUM charge—not an "extra" charge. So long as a borrower's loan is of sufficient size that the interest exceeds 50c, the service charge does NOT apply. This is not a new service charge, it has been in effect at this bank for years.)

#### STOCKS AND BONDS

A service charge of not less than \$1.00 shall be made on stocks and bonds, sold, purchased, redeemed, deposited, exchanged, or transferred.

(This partially covers the element of time, postage, insurance, etc., involved.)

#### SIGHT DRAFTS AND COLLECTION ITEMS

A minimum charge of 25c per item up to the amount of \$250.00 shall be made. On amounts over \$250.00 a charge of 1-10th of 1% shall be made.

(This, also, is a charge to cover a portion of the expense incident to handling of these special items.)

MAJORITY OF ABOVE ITEMS ARE NOT NEW—THEY HAVE BEEN IN EFFECT FOR YEARS.

If the above reviewing of our Service Charges, with explanations, still leaves doubt or misunderstanding in the minds of any of our patrons, they are invited to discuss them frankly with our officers or directors.

**These charges apply ONLY to NON-Customers and to Customers whose accounts are on the service charge basis.**

Timely Reminders from Pennsylvania State College School of Agriculture

**To Show Livestock**—Members of 4-H clubs in 19 counties will show 199 baby beefs and 163 fat lambs for statewide honors at the Pennsylvania Farm Show in Harrisburg, January 17 to 21. The feeding and fitting of these animals are activities in extension projects conducted by the Pennsylvania State College.

**Farm Show Is Large**—The Pennsylvania Farm Show is America's great winter agricultural exposition. Ten acres of space will be filled with competitive, educational, and commercial exhibits at Harrisburg, Jan. 17 to 21. State championships will be awarded in 25 departments and more than \$40,000 will be distributed in premiums.

**Have Long Record**—Several bull associations in Pennsylvania have been in continuous operation for 10 to 15 years. The cooperative use of sires in

bull associations has been proved practical and sound, according to Penn State dairymen. Similar results may be expected by other dairymen planning to improve their herds in this way.

Six hundred eighteen of the 6,346 students at the Pennsylvania State College are working under the National Youth Administration this year, receiving aid varying from \$12 to \$24 a month, without which many could not continue in College.

Six hundred of those who receive aid are undergraduates and 18 are graduate students. Of the undergraduates 529 are men and 71 are women.

For the remainder of the academic year, Mr. Maddox said, those receiving aid will be allowed to work 40 hours a month, thus increasing their earnings. Before the Christmas holidays the 35-hour month was standard at Penn State.

Much clerical work is done by students working in NYA. They also perform library work, do duplicating, aid in maintenance, do research and surveys, and assist in the department of home economics, in the division of art and in recreation.
