If you are confused by all the conflicting refrigerator claims of "super" savings, "super" speed, "super" service, etc., etc., here are six simple facts worth remembering when you choose your ELECTRIC REFRIGERATOR. 1 The GENERAL ELECTRIC Triple-Thrift REFRIGERATOR is a product of the combined research, engineering skill and manufacturing experience of the world's largest electrical manufacturing company. It is thrifty in price, thrifty in current, thrifty in upkeep. 2 The all-steel refrigerator cabinet, the sealed-in-steel cold-making mechanism, the 5 year performance protection plan all were originated by GENERAL ELECTRIC. 3 Although the sealed-in-steel G-E THRIFT UNIT is now widely imitated it is still years ahead. For G-E's sealed mechanism has long since passed the experimental stage, and is the only one that has been constantly improved for twelve years. OIL COOLING is a GENERAL ELECTRIC development that assures quiet operation, low current cost and long life. 4 GENERAL ELECTRIC has built and sold more refrigerators with the popular sealed type of mechanism than any other manufacturer. 5 The GENERAL ELECTRIC is recommended to you by millions of satisfied users, and has an unparalleled record for enduring economy. 6 GENERAL ELECTRIC new economy models of 1938 climax a smashing 12-year record of ever increasing values. And this first choice of millions is now popularly priced! GENERAL ELECTRIC Hosterman & Stover Co. "The Department Hardware Store" MILLHEIM, PA. Phone 11-R-2

"I THOUGHT WE'D GET A REST WHEN THIS CULTIVATOR BROKE DOWN." "WE WOULD HAVE, BUT THE BOSS GOT A NEW PART IN A HURRY BY TELEPHONE. IT BEATS ALL HOW MUCH TIME THAT TELEPHONE SAVES HIM." On Many Application Forms for Employment IS THIS QUESTION: Do You SAVE MONEY? Importance of this question to the employer is that if you have not learned to manage your own affairs, it is not likely you will be wanted to manage his. It seems to be the feeling of all employers that if a man cannot save for himself, it is hardly probable he can save for them. —SAVE THROUGH OUR BANK FIRST NATIONAL BANK CENTRE HALL, PA.
