Up to this time there is nothing new in the Strohecker-Bitner injunction case against the borough. The borough will likely have collected information desired and will be ready to be heard within the next ten days. One thing is certain, the WPA project as originally planned will be carried out regardless of the results of the injunction.

Lawns in town are looking very pretty this summer, not having been affected by drought up to this time. White clover is profuse in all of the old lawns. Special attention is called to the F. P. Geary lawn, which shows the result of continued care. The fish pond constructed recently is an added attraction. It is the home of a variety of highly colored fishes and thriving lily and other water plants.

Chevrolet's long-distance safety and dependability truck run, which passed the 50,000 mile mark at Spokane, Wash., June 14, five months and three days after its start, is still "balking" up a remarkable record of performance. Through Georges Valley a number of the farm homes already have electric service while others are conforming the wiring of buildings to the standard requirements. It is the intention of the West Penn company, to speed the construction as rapidly as possible. A car load of poles arrived at the Centre Hall railroad station during last week. They are Georgia pines and have all the appearance of having been finished on a lathe before shipping.

CENTRE HALL AND PL. GAP TIE FOR LEAD IN 1ST HALF

Monday's ball game at Pleasant Gap decided whether Centre Hall was to be declared the winner of the first half of the Tri-Valley League race, or merely to tie with Pleasant Gap for that honor. A hotly fought game—one of championship calibre—resulted in the classic 1-0 score. Sad to relate, Pleasant Gap was on the long end of the abbreviated score. The game was all a good ball game could be; a pitcher's battle between Paul Martz of Centre Hall and Spicher of the "Gap." The latter had a shade the better of the argument, allowing the visitors only five hits, while Martz was nicked for seven.

It was in the eighth inning that the 0-0 deadlock was broken. With a runner on first base, a fly ball was hit to left field. Breon misgauged the ball and it dropped safe, the runner round to score. That one run proved to be sufficient, for the locals could not break through the air-tight pitching that Spicher was dishing up.

Double plays were numerous, each team having three or four, indicating some flashy infield work.

**3-Game Series Arranged**  
Friday, July 8, at 4:30. Pleasant Gap will be the scene of the first of a series of ball games between Centre Hall and Pleasant Gap to determine the first half championship of the Tri-Valley League.

The second game will be played on the local diamond, Tuesday evening, July 12, at 4:30, while the third game, if necessary, will be played on a neutral field on Friday, July 15.

Centre Hall, 7; Rebersburg, 2

Centre Hall met Rebersburg on the local diamond in a twilight game last Thursday evening and emerged a 7-2 victor. The locals took a 3-0 lead early in the game and were never out-distanced. Peter Martz served 'em up for the locals, allowing eight scattered hits. The nine hits collected for C. Bierly's delivery resulted in more deadly effect. The box score follows:
