It Must Be Admitted Waiter Was Not Tactful

The customer was raging and fuming as the manager came up. "What is the matter, sir?" asked the manager. "Discharge that waiter at once!" demanded the diner. Regarding the boiled egg which had been served, the manager said: "I'm very sorry about this egg, sir, but I can't discharge the waiter for that. After all, he wasn't to know that there was a chicken in it." "Perhaps not," snapped the customer. "But when I told him there was, he needn't have taken away my spoon and brought me a knife and fork."

Norse Seamen

Hardy, indeed, are Norwegian seamen. Though Norway ranks but forty-seventh in population among the major nations, her merchant marine is fourth largest in the world. Since the days of the Vikings, Norwegian seamen have specialized in long ocean trips. Even today they carry most of the cargoes from America's Gulf states to Europe. In the days of sailing ships, too, Norwegian skippers began taking their families to sea because ocean voyages took many months. The sailors' superstition that women are bad luck to a ship never bothered them.

'Hill-Climbing' Boats

A unique steamship service operates between the East Prussian towns of Elbing and Deutsch Eylau, a distance of 40 miles. Part of the trip is made on a canal and part on a railroad, whose specially designed trucks pick up the little vessels and quickly carry them over four long hills. These "hill-climbing boats" have rendered unnecessary the construction of 20 locks.—Collier's Weekly.

Most anyone will agree that it is wise to use only the very best motor oil in an expensive car. Buy it does not follow that cheap oil should be used in lower priced cars. The experience of millions of owners of Ford, Chevrolet and Plymouth cars proves that Acid-Free Quaker State Motor Oil makes their cars run better, last longer.—Adv.

Sentinels of Health

Don't Neglect Them! Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

Fair Enough
The bum approached the prospect. "Say, mister," he asked, "can you spare a nickel for a cup of coffee?" The citizen dug into his pocket and studied his change. "I'm sorry," he said. "But the smallest change I have is a quarter." The bum shrugged. "Okay with me," he suggested. "Gimme the quarter—and the next four times I see you, I won't bother you!"

HIS HARDWARE
"He's buried the hatchet, you say?"
"Yes; but only because he has an axe to grind."
