Capt. Janney to Present Wild Life Pictures - The Gregg Township teachers have been fortunate in securing the services of Captain Janney who will present two complete showings of pictures relative to Wild Life, in the high school auditorium at Spring Mills. The first showing will be at 1:30 p. m. on Monday, November 21, at which time it is planned to have all the school children in the township present. Adults will also be welcome at this program.

In the school auditorium that evening Capt. Janney will show additional pictures, at which time all persons are welcome. Capt. Janney will start the evening program at 7:30. Each program will last approximately two hours, during which time movies of Canadian Wild Life will be shown. Capt. Janney lectures during the showing of the films. The afternoon and evening programs will be different and everyone is invited to both programs.

The pictures are said to be the finest that have ever been assembled by an individual. Capt. Janney has spent much time and money in taking the "shots." There will be no admission charged to either program; however, a silver offering will be lifted which will be used to help defray the expenses incurred by Capt. Janney. The Captain is interested in showing the pictures purely from an educational standpoint, and the community is indeed fortunate in that he can arrange to present them at Spring Mills.
