

ITEMS OF LOCAL INTEREST

Mrs. Edward E. Bailey spent the week-end with her son, Richard S. Bailey, in Baltimore, Md.

Joan, 6, daughter of Mr. and Mrs. John B. Wert, Jr., has been confined to bed since last Tuesday from stomach trouble and complications.

Mrs. G. W. Tressler, who for some time had been living with her daughter, Mrs. Clarence Musser, in Upper Brush Valley, is back to her home in Centre Hall for the winter.

G. H. Knisely, Bellefonte, has been drawn a petit juror for duty at the term of U. S. Middle Division District Court to open in Williamsport, December 6th.

Miriam Brooks, daughter of Mr. and Mrs. Stanley Brooks, a few days ago developed a case of scarlet rash, also defined as scarlet fever. Her condition is excellent. Miriam is 14 and a high school freshman.

Mrs. James Foust was taken to the Lewistown hospital on Wednesday of last week where she underwent an operation. Her condition is improving, but she will be obliged to remain in the institution for at least another week.

The November Alumni Association meeting will be held in the high school building Friday night, November 25 at 7:30 o'clock, to act on a proposed amendment to the constitution and to lay plans for the Christmas banquet.

"Reptiles in North America," is the subject of a lecture by Jack Raymon, the next number of the Lyceum course scheduled for Saturday, December 3, in the high school auditorium. Mr. Raymon will use live specimens to illustrate his lecture.

Sandra Lucille is the name the daughter born to Rev. and Mrs. D. R. Keener will bear. She was born in the Geisinger hospital, Danville, on Wednesday night of last week, and adorned in her birthday suit weighed nine pounds. This makes the Keener family one of three. The couple are receiving congratulations with broad smiles.

Burns Muthersbaugh, who last spring moved from Mifflin county onto the Toyer farm at Sprucetown, which farm he purchased, was a business caller at this office on Friday. He states he and his family have developed a real liking for their new home and the people of that community. Mr. Burns is the type of man who can make farming a success.

John Dreihelbis accompanied by his father-in-law, Henry H. Houser, of State College, R. D., was in Centre Hall on Tuesday on a bit of business. Although in delicate health, Mr. Houser very much enjoyed the trip here. Mr. Dreihelbis is a farmer, occupying his own place. The Housers occupied a tenement house on the Dreihelbis farm, but since the sale of their personal property are living with the Dreihelbis family.

A Pekinese terrier died from rabies a few days ago after nipping his mistress, Mrs. Susan Scheu, special officer Guerne McClellan and Chief N. R. Lamareaux, all of Phillipsburg. The three bitten, on learning the dog was infected with rabies, at once left for Pittsburgh for Pasteur vaccine treatment. On receiving two treatments the trip returned to Phillipsburg expecting to take the remaining treatments throughout a month from a local physician.

The seventieth anniversary of the organization of the Lutheran church at Pleasant Gap was celebrated recently. At the same time nine stained glass windows were dedicated, bearing these names: Mr. and Mrs. William Bilger, Mr. and Mrs. Albert Smeltzer, Mr. and Mrs. Harry E. Garbrick, Mr. and Mrs. E. E. Swartz, Mr. and Mrs. N. L. Dale, Mr. and Mrs. E. K. Keller, Mr. and Mrs. A. J. Swartz, Ralph Noll and Rev. W. J. Wagner.

Mr. and Mrs. J. Calvin Vonada and son Lloyd Vonada of Potter township on Saturday at noon left for Wellington, Ohio, by bus to attend the funeral of a nephew, William Wadsworth, on Sunday. Mr. Wadsworth was the husband of the former Miss Wilma Shutt, daughter of Frank Shutt, deceased, and Maggie Vonada Shutt, a niece of Mr. and Mrs. Vonada. He was assistant postmaster at Wellington. Mr. Wadsworth died in a barber's chair while being shaved. It was his custom to doze while the barber was shaving, but on this occasion it was a last sleep.

One of the several flues on the Fleisher farm dwelling house in Potter township, occupied by William Brown, was found to be in an extremely bad condition. The flue was built up from the garret and the slide next to the outer wooden framework of the gable was broken away so badly that it was necessary to rebuild the entire flue. Mention of this is made as a caution notice to many home owners whose flues and chimneys and stovepipes should be closely examined and put into condition before cold weather begins, when firing of stoves and furnaces will be continuous.

An Indian coach trailer, completely equipped electrically and furnished with all conveniences, was purchased by Marvin Ishler through Blaine Lester from the latter's brother-in-law, Donald St. Pierre of Williamsport, whose wife was the former Agnes Cummings of Centre Hall. The St. Pierres traveled extensively during the past few years entering almost every state in the Union. Mr. Ishler will use the trailer during the summer and fall months in which to live while attending picnics, fairs and general gatherings at which he will have his string of riding ponies, so much enjoyed by children.

LOCALS.

Mr. and Mrs. Wm. P. Campbell and Mrs. W. A. Odenkirk made a business trip to Williamsport during last week.

Mrs. Jacob Sharer on Thursday evening entertained the members of the Senior Service class in the local Lutheran Sunday school of which she is an active member.

T. E. Jodon, the Pleasant Gap dealer in western horses, began excavation for a new house close to the double house recently remodeled by him in Pleasant Gap.

Geo. C. Crockett and Mr. and Mrs. Paul Crockett of Wilkes-Barre and Robert Dodson of Muhlenberg were week-end guests of Mr. and Mrs. Geo. Vogt. The former is Mrs. Vogt's father.

Among the floral tributes to Miss Willa Irene Blausser was a double spray of exceptionally large white chrysanthemums presented by the members of the class of '35 in the Centre Hall high school, of which class she was a member.

Mrs. Mary Strohecker, Mrs. Della Reiber, Mrs. Mary Heck and Miss Betty Strohecker, the latter a Penn State student, on Tuesday left by motor for Bethlehem where the Thanksgiving season will be spent with Mrs. Strohecker's son, Clair, and family.

Mrs. Thomas Stover of Mifflinburg was visited on Sunday by Mr. and Mrs. E. E. Zettle, Mr. and Mrs. Ernest Benner, Mr. and Mrs. Paul Fetterolf and son, Drew, George Cooney and Mrs. G. C. Cooney and Mrs. Merrill Nale, Mr. and Mrs. Ernest Frank, Mrs. P. K. Frank.

Miss Roberta Smith attended a birthday party dinner given in honor of Miss Marie Hosterman by her parents in Millheim on arriving at her seventeenth birthday anniversary. The affair was largely attended and numerous pretty and valuable gifts were

presented to the young lady.

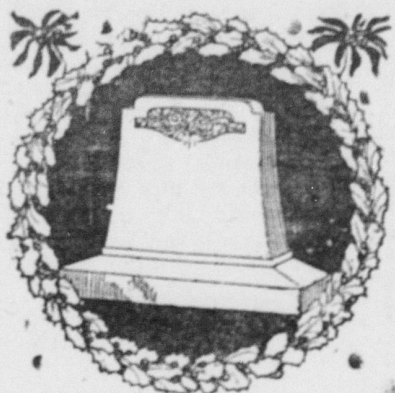

A beautiful aquarium of barrel capacity graces the sun room in the Kerlin home. The "pond" is planted with rare water plants, turtles, snails, and later will be supplied with tropical fishes. The water in the "pool" is continually aerated by the use of a siphon, a novel electric motor operating a pump and clarified by flowing through a filter of sand, rock and charcoal. It is exceptionally pretty and ornamental.

The largest trout captured in Pennsylvania waters during the 1933 season was taken in Spring Creek, weighed eight pounds, and was 28 1-2 inches

in length. It was captured by David Mills, Milesburg.

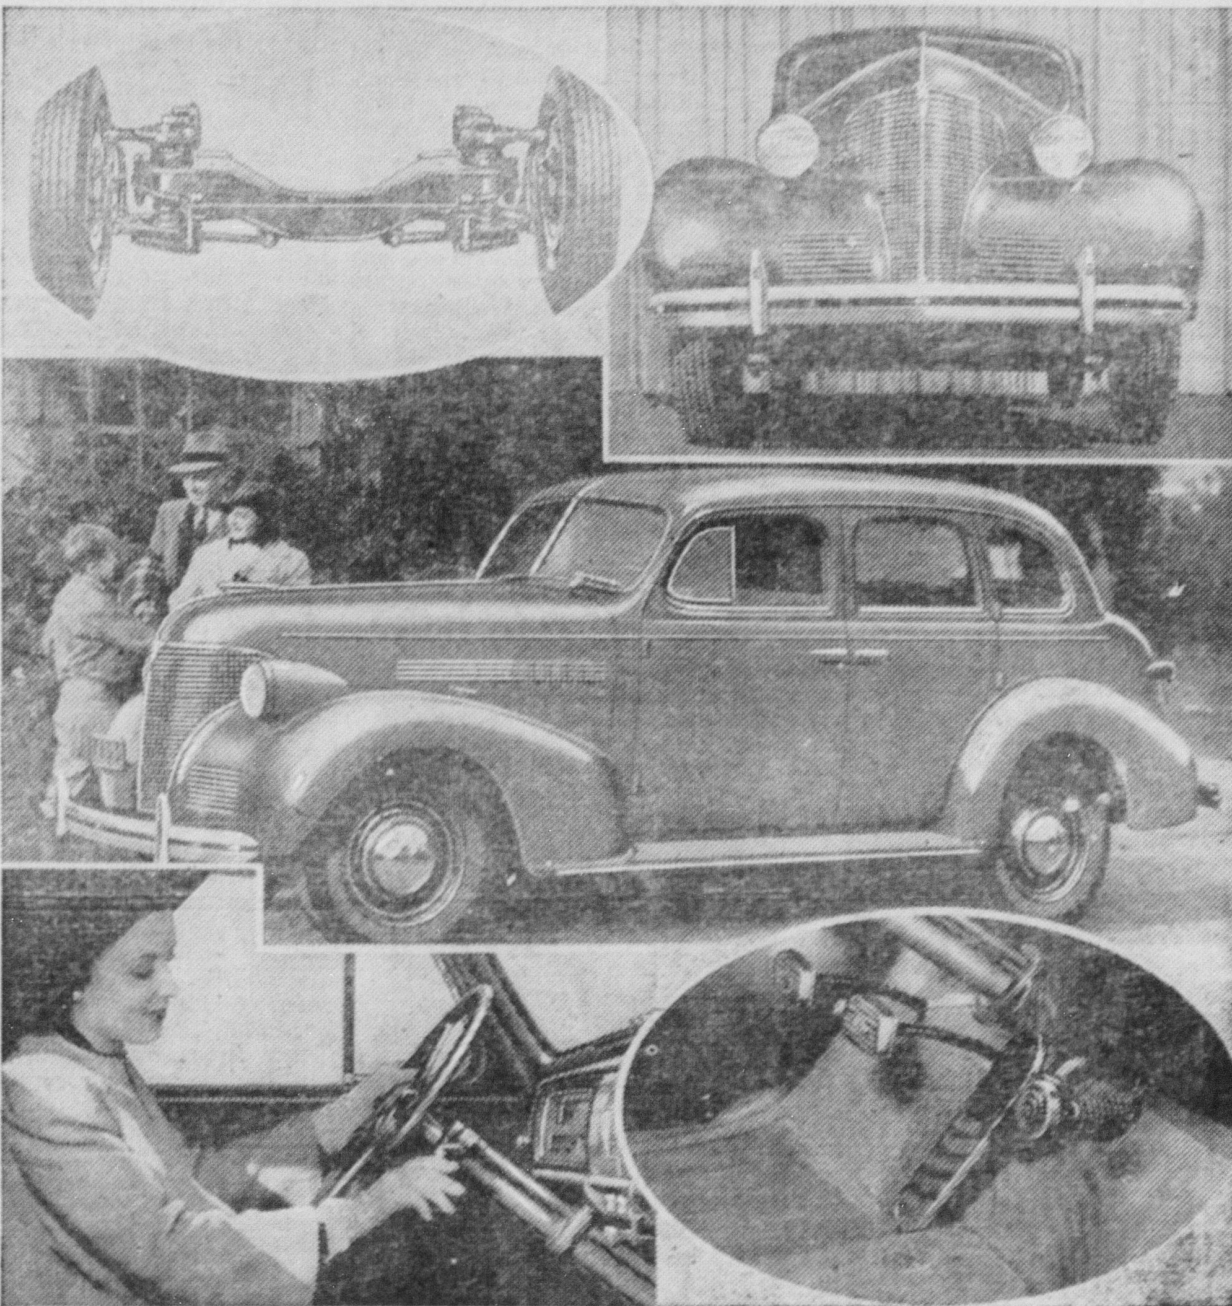

Except for a greatly welcomed rain during last week, weather conditions for two weeks were ideal for outside work. During most of the days the sun shown brightly.

'Chevrolet Takes Big Strides Ahead for 1939

New Aero-stream styled bodies combine with major mechanical improvements to provide new beauty, safety, comfort and operating ease, in the 1939 Chevrolets, presented October 22, and featured at the big auto shows this month. The new models are offered on two chassis, the Master De Luxe and the Master 85, both of which are powered with Chevrolet's famous six-cylinder valve-in-head engine.
A new vacuum gear shift mechanism with steering column control, optional on all models at small extra cost, does 80 per cent of the work of shifting gears. The Master De Luxe series features a new riding system, in which a brand new Chevrolet Knee-Action mechanism is scientifically co-ordinated with new ride stabilizer and double-acting hydraulic shock absorbers to furnish a smooth, soft ride.
Central picture is the new Master De Luxe Sport Sedan. Upper right: front end view of the 1939 car; Upper left: Master De Luxe front suspension unit, complete; Lower left: accessibility and finger-tip ease of operation are two major features of Chevrolet's vacuum gear shift with steering column control; Lower right: As the handbrake on all models is re-located under the cowl, front compartment floor is cleared in cars with vacuum gear shift.

FOR COLDS AND RELATED COUGHS
FATHER JOHN'S MEDICINE
USED OVER 80 YEARS

ACHING COLDS
Relieve Their DISTRESS
This Easy, Quick Way!
To bring speedy relief from the discomfort of chest colds, muscular rheumatic aches and pains due to colds—you need more than "just a salve"—use a stimulating "counter-irritant" like good old warming, soothing Musterole. It penetrates the surface skin breaking up local congestion and pain resulting from colds. Even better than a mustard plaster—Musterole has been used by millions for over 30 years. Recommended by many doctors and nurses. In three strengths: Regular, Children's (mild) and Extra Strong, 40¢. Approved by Good House-keeping Bureau. All druggists.

MUSTEROLE
BETTER THAN A MUSTARD PLASTER

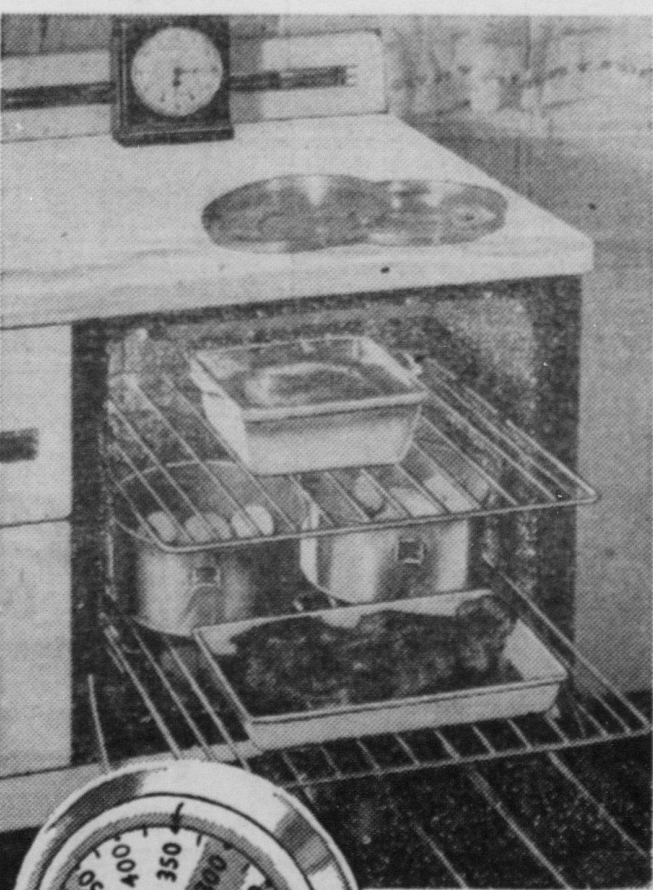

The Call Must Go Through —
5,000,000
Times a Day!

Year after year the telephone job grows bigger and more complex. Last year in Pennsylvania alone we handled more than 5,000,000 calls a day. And rare indeed was the call that failed on accuracy, speed or clearness.
One reason for this is fine equipment—designed and made for Bell System use. But even more important are the 16,000 Pennsylvania men and women behind the equipment. They are well-trained and well-paid . . . eager and able to serve you well.

You can have a telephone in your home for less than a dime a day. It will run your errands, do your shopping, keep you in touch with family and friends. It will bring you quick aid in emergencies; save you time, trouble and money. Just call the Business Office or ask any telephone employee to place your order. The Bell Telephone Company of Pennsylvania.

Electricity
Cooks Everything Better

From the World's
MOST ACCURATE OVEN
Come **PERFECT Meals**
Every Time!

THE electric oven maintains the temperature you select more closely than any other oven!

The heat variation is so slight that it does away entirely with "guess-again" cooking—assures perfect results over and over. Whether you want high heat, say 400°, for baking biscuits, cookies or bread—or medium heat, perhaps 325°, for angel food and sponge cake—or extremely low heat, 250°, for cold-pack canning—you get it with the electric range.

And complete meals, like the one in the picture—chuck roast, potatoes, onions, fruit cobbler—from meat to dessert—any meal can be cooked with confidence in an electric oven.

Switch to an electric range! Serve those "extra tender" foods with the "Sunday flavors." Have an oven that guarantees the accurate temperatures that perfect cooking demands.

Accurate ... THAT CAN'T BE EQUALED!
Steel furnaces, kitchen ovens—for accurate control, both must depend on electric heat! More and more steel mills are turning to electricity to avoid costly errors in the heat treatment of steel—more and more housewives are turning to the electric range to avoid costly and disappointing cooking failures!

FOR COMPLETE DETAILS ASK THE **ELECTRIC RANGE DEALERS**
