## AROUND THE HOUSE

**Keeping Dried Beef.**—Dried beef will keep better if stored in a covered glass jar in the refrigerator rather than wrapped in parchment or waxed paper.

**For High Windows.**—High windows appear shorter if the hangings are looped back with a slight curve and tied somewhat below the middle.

**After Washing Silver.**—Stand silver in a jug of very hot water to which a little ammonia has been added, and it will remain bright much longer.

**When Making Egg Sandwiches.**—Scramble the egg instead of boiling it. Not only are more sandwiches made, but they are more easily digested.

**Tea Towels.**—Add a little borax to the water when washing tea towels. It removes dirt and grease and makes the towels a good color. It also acts as a disinfectant.

**Loose Casters.**—When casters on furniture drop out too often, remove them, pour melted wax in the holes and insert the casters before the wax hardens. After it has set the casters will not fall out again.

## Uncle Phil Says:

**Why Start Outside?**  
Begin the brotherhood of man with the "brother" next to you and spread it as you have the opportunity.

One kind of "forgotten man" is the one who neglected to think of himself with any degree of intelligence.

Those who in a logical dispute keep in general terms hide fallacy.

**Our National Spirit**  
The national anthem makes us get up and hustle in order to be able to sing it.

Diligent work and religion go well together. In the Bible there are many exhortations to labor.

**Isn't It a Pity**  
Insurance companies are not willing to take risks on our air castles.

The "please, sir" little boy seems to have vanished even from anecdotes.

# HOW TO SEW

by Ruth Wyeth Spears

Drawn work for turquoise scarves.

THIS idea is the result of an experiment. A friend had a set of sadly out-of-date white linen drawn work scarves for buffet, serving and dining table. Her dining room was being done over with touches of turquoise blue in the draperies and wall paper, so she had the scarves dyed to match. They were so effective that the simplest part of the drawn work design was copied in coarse linen in various colors for mats and scarves throughout the house.

While the turquoise scarves were especially attractive, those in golden yellow and a bedroom set in soft rose were also full of charm. The sketch shows how the drawn work is done. If you are looking for something effective that is quick to make, here it is. Just pull out the threads of the linen to make an open space about an inch wide. The scarf may be hemmed at the same time the outside edge of the opening is being whipped. Just follow these sketches. No other directions are needed. Use either linen or mercerized thread in a matching color.

**NOTE:** Book 1—SEWING, for the Home Decorator, and No. 2, Gifts, Novelties, and Embroideries, are now 15 cents each, or both books for 25 cents. Readers who have not secured their copies

## Mistakes Make Humble

The best of men and the most earnest workers will make enough of mistakes to keep them humble. Thank God for mistakes and take courage. Don't give up on account of mistakes.—Moody.

**In the Cause**  
It is the cause, and not the death, that makes the martyr.—Napoleon I.

**Silence**  
Silence is the genius of fools, and one of the virtues of the wise.—Bonnard.
