### STUMPED HIM

"I took a tramp down the river today and really enjoyed the novelty of the thing."  
"But how you can associate with such persons, I can't see."

### Experimental

A young man whose knowledge of cards was vague was roped in to complete a bridge four. He committed his first mistake by throwing away a king on a trick already taken by his opponent's ace. His Partner (bellowing)—Good heavens! A king doesn't beat an ace!  
Beginner (stammering)—I know, but I thought I'd find out.—Chelsea Record.

### AN EXTRA SUIT

"How many suits did you bring down with you?"  
"Five, but I'm taking back one breach of promise suit besides."

KEEP COOL WITH REFRIGERATOR MEALS

### Refrigerator Meals

It's a smart stunt to get meal preparation out of the way in the cool of the morning. Knowing that dinner's ready and practically waiting to be served helps you to look and feel cool, calm and collected, and it leaves you free for "vacationing" during the hot hours of the day.

Here's a menu that can be prepared in the morning, almost down to the last sprig of parsley, so that it will be ready to serve at the appointed dinner hour with only a little additional work.

- Pineapple Upside Down Loaf
- Tomatoes Stuffed With Macaroni
- Buttered Fresh Peas
- Minted Pear Salad
- Hot Biscuits
- Strawberry Fluff
- Biscuits.

(Makes 12-14 Biscuits).

- 2 cups flour
- 4 teaspoons baking powder
- ¼ teaspoon salt
- ¼ cup shortening
- ¾ cup milk

Sift dry ingredients together and cut in shortening. Add liquid slowly. Turn dough onto lightly floured board, pat to ½-inch thickness, and cut in rounds. Place on greased cookie sheet. Brush biscuits with melted butter and store in refrigerator until 20 minutes before dinner. Bake in hot oven (450 degrees) for 15-20 minutes.

- Pineapple Upside Down Ham Loaf.
- Sliced pineapple
- Whole cloves
- 1½ pounds ham (ground)
- 1 egg (beaten)
- 1 green pepper (minced) ½ cup
- 1 cup rice (cooked)

- 2 tablespoons onion (minced)
- ¼ teaspoon pepper
- 1 teaspoon salt
- 1 egg (beaten)
- ½ cup chili sauce or catsup
- ½ cup water

Dot several slices of pineapple with whole cloves. Arrange in the bottom of a loaf pan. Combine meat, green pepper, rice, onion and seasonings. Add egg, chili sauce (or catsup) and water. Shape into loaf, and bake at 375 degrees for one hour. Turn out onto platter. Serve hot or cold.

- Buttered Fresh Peas.
- Simply place the shelled peas in a saucepan, partially filled with water. Set in refrigerator, then just before dinner, cook in this same water. For variety, sprinkle finely chopped garden mint over peas before serving.

- Tomatoes Stuffed With Macaroni.
- Remove the centers from the desired number of tomatoes and fill with cooked and seasoned macaroni, topping with slices of cheese, or better yet, if the refrigerator divulges some freshly kept, left-over macaroni and cheese, this may be used instead, with a buttered crumb topping. Chill until dinner time, then bake in a hot oven (400 degrees) for about 20 minutes.

- Minted Pear Salad.
- 1 package mint-flavored gelatin
- 1 cup boiling water
- 1 cup cold water
- ¼ teaspoon salt
- 5 or 6 pear halves (canned)
- Lettuce
- Salad dressing.

Dissolve gelatin in boiling water, add cold water and salt. Let stand in refrigerator until cool. Dip pear halves in cold gelatin mixture and

arrange in ring mold. Place in refrigerator until set, and fill the mold with the cooled gelatin mixture. Chill until firm. Serve on large platter with a small bowl of salad dressing and lettuce for garnish.

**Strawberry Fluff.**  
And for dessert, combine whipped cream, sliced strawberries and marshmallows cut in quarters. Place in sherbets and chill for several hours or overnight.

### Pure Cellulose Curtains

Look Like Rare Chintzes  
Pure cellulose curtains that look like printed linens and rare chintzes are making home-decorating history for 1938. So low is their cost that an entire house can be redraped for less than \$10, and when the curtains are soiled they can be thrown away and replaced for a cost equal to or less than the cost of laundering.

Looking like vellum and feeling like fine percale, these materials are soft, pliable, with permanent drapability and "hand." They are available in a wide number of patterns and designs in rich, sunfast colors. Coming completely finished and ready to hang, with matching tie-backs, the drapes are sold in three lengths.

### Little Niceties Make Cheerful Guest Room

Summer guests will appreciate a cheerful guest room—one that has its own style furniture and not just miscellaneous discarded pieces. Essential as the bed itself are a chest of drawers for odds and ends, a smart vanity for the feminine visitor and a bedside lamp and table.

A chaise longue and some good books and magazines will help take care of those in between moments. Most important of all, for comfort's sake, are a good mattress and a good spring.

### Logs for the Apartment

There are now fireplace logs suited to the apartment dweller. They are compressed under great pressure out of sawdust and shavings so that each log is bone dry, clean, uniform in size (4 by 12½ inches), and has no splinters. There is almost no storage problem, as each log burns for four hours, and a month's supply can easily fit into the closet along with the umbrella and galoshes. These logs give off a colored flame—blue, orange, purple or green—very much like fires made from driftwood.

### Dining Bay Excludes Flies

If you want to eat outdoors in warm weather, but the flies make the meal a nuisance, how about adding a bay to your living or dining room? You can sit with windows on practically three sides of you, but by screening them, banish the annoying and unsanitary little insects.

### Sealing Jellies

Paraffin used for sealing jellies should be "smoked" hot, since it sterilizes as well as seals. Tilt the glass in order that the melted paraffin may form a seal around the side of the glass as well as a cover for the top.

## Cool, Easy Frocks For Midsummer Use

DO YOU go in—or rather out—for active sports? Then there's a place in your life for the pretty play frock (1767) with short tennis skirt, sunback, and bright bands of braid. A little short-sleeved jacket and head kerchief are included in your easy pattern. In pique, gingham or chambray, it will make your vacation smarter and gayer.

### Cool Daytime Frock.

Are you looking for something cool, becoming and different for daytime? Then 1778 is just what

you want! A square-necked, youthful basque frock, with circular skirt, upped sleeves and a tiny waistline, it will look summery and refreshing even on the hottest day, with your big hat and white shoes. For this, choose silk print, linen, gingham or lawn.

### The Patterns.

1767 is designed for sizes 12, 14, 16, 18 and 20. Size 14 requires 5½ yards of 35 inch material without nap. 2½ yards of braid.

### Speak for Literature
