

**Quickly Made Dolls
For Late Gift Choice**

By RUTH WYETH SPEARS

HERE is a boy and a girl doll that you can make quickly. The body is two tubes of material made of fabric stitched together to simulate socks and shoes and then stitched, turned and stuffed as indicated at the left of this sketch. The head is a two-inch ball of cloth covered first with cotton and then with tightly

stretched cloth sewed in the back as in steps 1 and 2. The wig is made as in step 3.

The diagram shows how the tubes and the head are sewn together. Sew across the top of the legs to make the doll jointed. Sew the arms down and the tips of the feet up as indicated. Sew clear through the head when adding the bead eyes about half way between the top and bottom. This shapes the cheeks. A few stitches in red make the mouth. The pleated skirt is cut straight. The trousers are slightly shaped in the crotch. The sweaters are made from the striped tops of children's socks.

NOTE: The 10 cent edition of Sewing Book No. 4 is now ready for mailing, as well as the 10 cent editions of No. 1, 2 and 3. Mrs. Spears has just made quilt block patterns for three designs selected from her favorite Early American quilts. You may have these patterns FREE with your order for four books. Price of books—10 cents each postpaid. Set of three quilt block patterns without books—10 cents. Send orders to Mrs. Spears, Drawer 10, Bedford Hills, New York.

**There's a Good Reason
You're Constipated!**

When there's something wrong with you, the first rule is: get at the cause. If you are constipated, don't endure it first and cure it afterward. Find out what's giving you the trouble. Chances are it's simple if you eat the super-refined foods most people do: meat, white bread, potatoes. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement. If this is your trouble, you should eat a natural "bulk" producing food—such as one of the crunchy, toasted, ready-to-eat cereal—Kellogg's All-Bran. All-Bran is the quintessence of prevention that's worth a pound of emergency relief. Eat it every day, drink plenty of water, and "Join the Regulars." All-Bran is made by Kellogg's in Battle Creek.

Weak Consciences

It is not because men's desires are strong that they act ill; it is because their consciences are weak.—J. S. Mill.

Events in the Lives of Little Men

NOT LIKE A BOOK

Poor Land

Two Scotsmen were awaiting the arrival of their train when their attention was directed to an extremely modern young damsel, complete with rouge, lipstick and powder, who was tripping gaily along the platform. The two gazed speechless for a while, then one of them spoke. "Man, Tammas, and what d'ye think o' that, now?" "Naethin' ava," was the reply. "It's michty puir land that needs sae muckle top-dressin'!"

COULD NO LONGER DOUBT

A Little Bit Humorous

NEARLY HUMAN

A woman who had led a very secluded life inherited a lot of money and decided to see the world. She wound up in China, where she was fascinated by the ancient Chinese methods of transportation. She watched the coolies pulling rikshas; it was the strangest sight she had ever seen. When she returned home she was in great demand by her neighbors. They wanted to know all about her trip. "Tell me," said a friend, "did you like China?" "It was marvelous," replied the traveler, ecstatically. "China is the most wonderful place in the world. On my word of honor, they have horses there that look just like men!"

HELPFUL LEMON

Patient—So you think, doctor, a lemon a day will help?
Doctor—I think you can count on the lemon aid.

She Tried Hard

A middle-aged woman stopped in at a cigar store to buy some birthday cigars for her husband. Not knowing just how to proceed with the purchase, she stood hesitatingly for a moment. "What can I do for you ma'am?" asked an approaching clerk. "I want some cigars for my husband," she replied. "Just what kind, please," he inquired. "I don't know exactly," she said, "but he is 45 years old, weighs 150 pounds, and wears an 8½-size shoe."

Advanced Education

The dear old Lady Bountiful took pity on a young farm hand and persuaded the village schoolmaster to give him lessons in reading. Some time later she met him in the village. "Well, George," she said, "I suppose you are now able to read the Bible fairly easily?" "Bless you, mum," he replied with pride. "I was out of the Bible and into the sports news over a week ago!"

No Peekers Allowed

"Why, Julia, you surely don't consider these windows washed?" said the lady of the house reproachfully. "Sure, I washed 'em nicely on the inside, ma'am, so we can look out," replied Julia, "but I intentionally left 'em a little dirty on the outside so the children next door couldn't look in."

POOR MONK

Monk—Great Scott, I forgot all about that fellow when I made that sign!

Barnyard Grammar

Farmer Jones—Which is correct—"A hen is sitting" or "a hen is setting?"
Farmer Brown—I don't know, and I don't care. All I bother about is when she cackles—is she laying or is she lying?

Observant Youth

Teacher—Now, Tommy, take the globe and point out Australia.
Tommy (pointing)—There it is.
Teacher—Now, Johnny, who discovered Australia?
Johnny—Tommy did.

Three Guesses

Binks (phoning down from his room)—Night clerk?
Snippy Clerk—Well, what's biting you?
Binks—That's what I want to know.

HE KNEW HER WELL ENOUGH TO TELL HER

Our Greed

The great error of our nature is, not to know where to stop, not to be satisfied with any reasonable acquirement; not to compound with our condition; but to lose all we have gained by an insatiable pursuit after more.—Burke.

Don't let winter catch you unprepared

Last call! If your car won't start. If you wear out your battery in a hopeless tussle with congealed summer oil. If you burn out bearings because cold-stiffened oil couldn't get to them. If you are troubled all winter with sludge, carbon and corrosion due to impurities in the oil... don't say we didn't warn you to
