## Comfort, Style, Color, Novelty In New Spring Shoe Fashions

By **CHERIE NICHOLAS**

AS A prologue to the season before us the National Shoe fair, held in Chicago recently, launched many new styles for the Easter parade, and for the spring and summer months to follow. It is not possible to tell of all the shoe fashions exhibited, so in the next few paragraphs we will cite a few outstanding highspots.

First, one is impressed with the striking originality that marks the styling of shoes this season. The big news is the swing toward back decoration. The newest models are styled with all sorts of fancy cutouts in heel and side-back sections. Open toes appear in a substantial percentage, with good taste using a restraining hand.

In leathers there is decided ingenuity in combinations, especially with fabrics. In the forefront are leathers from the reptilian family. Patent is a top-honor contender, dividing its style prestige with gabardine. Suede is also definitely in the picture. The steps are prime favorites. The majority of these, and of pumps, carry elasticized sections.

For the initial purchase smart women will select black or the new bluejacket blue, a dark navy. Malibu beige is also a color you will be parading. Gray is due for a decided revival.

Heels introduce more novelty in their heights and shapes than in

any previous year. They will "click" from flat platforms to new spike altitudes. Wedges in medium and high heel versions promise a great vogue. When you see the new play shoes you won't be able to resist. Wedge shoes with soles in brilliant red kid and tops of Paris blue, buck piped in red, with a red drawstring around the top will embark you gaily on that all-American spring which fashion advises will be here, with patriotic colors flagging interest from head to foot.

Ready to step out for spring are bluejacket pumps with bows and moccasin-effect fronts edged in white as shown to the left in the picture, worn with a navy and white print frock and navy and white accessories. Gay stripe wool for coats is a spring promise. To wear with your striped coat choose shoes such as accompany the coat illustrated.

Describing the shoes shown in the inset, beginning at the top, No. 1 is the new double platform type. The alligator pumps next below are real smart. They are in the new taupe gray, have the latest square toe and heel design, with stitching in brown. Shown next is a significant style forecast. It combines alligator with suede or gabardine. Two pert bows of alligator add swank. Comfort plus style is the very important message conveyed by the shoe that concludes the group. (Released by Western Newspaper Union.)

### Pastel Blouse

A sheer crepe blouse in monotone pastel, pale blue, muted pink, grayish green or the new wheat color with a dark skirt of rich fabric is a dress formula that carries style conviction. The blouse pictured observes the newest styling details. High neckline, long generously full sleeves, the wide corselet effect that gives a nipped-in waistline, they are marks of fashion-wise dressmaker touches. A matching turban is late fashion decree.

Nepotry is launching new styles in chemisier blouses, making them of silk or cotton novelty shirting and trimming them with old-time featherstitched braid and nacre shell-shaped buttons.

### Milliners Turn Out Cunning Spring Hats

A pastel felt or a gay fabric turban make good "starters" for spring. The sailor theme is a most important one. As for turbans you can wear no smarter headpiece. The latest is to have a turban match either blouse or bag or match something that has to do with your costume.

The outstanding feature about the cunning hats that tilt over the face, some not much larger than the palm of your hand, is that they all throw the spotlight on back views. Milliners have devised all sorts of schemes in the way of snoods and fitted deep bandeaux and ribbon cap-fitting contrivances not only to insure a comfortable fit on the head but to give chic and charm to back views.

### House Coats to Fit Your Personality

House coats and hostess gowns, like all other costumes, should be chosen to match your personality. Once in a while the tall, stately woman may find it amusing to go frilly and feminine at home and the hoyden may try her hand at elegance, but these are the exceptions rather than the rule.

Ordinarily the woman who spends many hours in her home likes pretty, cheerful pastels, while the career woman who keeps an eye on the practical side chooses the darker red, wine and blue shades.

### Wet Day Ensemble Chic and Sensible

Copper and white are attractively combined for a rainy day ensemble. A trench coat of copper-toned gabardine is teamed with white rubbers and a transparent copper-toned umbrella. The umbrella has an old-fashioned ivory tusk handle. An amusing lapel pin for this coat is a pair of white celluloid ducks.

### SOUP GIVES THE FIRST IMPRESSION

#### Satisfying Soups

Soup, like the front door, gives a first impression, good or bad, that is difficult to overcome, whatever follows.

It's the cook's fault if this first course at dinner isn't good, for a great many wholesome ingredients can be made into delicious soups if they are knowingly handled.

Beginning with good ingredients and finishing off with skillful seasoning, there's no reason why you can't produce a soup that is tempting, delicious and wholly satisfying.

Soup is more than just a means of using up left-overs and remnants of meat and vegetables, but left-overs may be the starting point for a cream soup that's a masterpiece; season it with discrimination, thicken it smoothly, serve it hot and nicely garnished, and you have evolved the perfect beginning for a dinner, or a satisfying mainstay dish for lunch.

Finely chopped parsley, paprika and croutons are familiar garnishes for soups; newer, and just as attractive are these: a few grains of popped corn; minced chives; toasted and lightly buttered puffed cereals; a spoonful of unsweetened whipped cream, salted and sprinkled with minced parsley, chives, or finely chopped salted peanuts; very fine strips of thin, well browned pancakes; thin slices of frankfurters.

Quick cooking tapioca is a new thickener for soups; it's quick and easy to use, and it adds unusual texture and taste as well.

#### Corn Soup

(Serves 4)  
1½ cups canned corn  
1 cup meat broth, or 1 cup water  
and 2 bouillon cubes  
2½ cups rich milk  
1½ tablespoons quick-cooking tapioca  
1 teaspoon salt  
½ teaspoon sugar  
½ teaspoon onion, minced  
1½ tablespoons butter  
Cook corn in broth 10 minutes; force through sieve. Combine with milk, quick-cooking tapioca, salt, sugar, and onion in top of double boiler. Place over rapidly boiling water and cook 10 to 12 minutes, stirring frequently. Add butter. Garnish with popcorn if desired.

#### Vegetable Soup

1 lb. soup meat, cut in small pieces  
¾ lb. veal bones  
2 quarts cold water  
¼ cup sliced onion  
3 cloves garlic  
¼ cup sliced carrots  
½ cup potato cubes  
½ cup shredded cabbage  
1 stalk celery (cut in pieces)  
1 tablespoon salt  
1 teaspoon paprika  
1 sprig parsley  
2 tablespoons celery leaves (chopped)  
Place meat, water and vegetables in saucepan. Cover and simmer slowly for two or three hours. Remove from flame and put through sieve.

#### Cream of Tomato Soup

2 cups canned tomatoes  
2 slices onion  
¼ teaspoon soda  
1 teaspoon sugar  
1 teaspoon salt  
Dash of pepper  
2 tablespoons butter  
2 tablespoons flour  
2 cups milk  
Heat tomatoes with onion, soda, sugar, salt and pepper. Rub through sieve; reheat. Place butter in top of double boiler and melt. Add flour and mix thoroughly. Add

milk. Cook, stirring constantly, until mixture thickens. Pour tomato mixture slowly into white sauce. Mix thoroughly and serve at once.

#### Fish Chowder

4 pounds white fish  
2 cups cold water  
1 cup salt pork (diced)  
1 onion (sliced)  
4 cups potatoes (cut in ¼ inch cubes)  
1 teaspoon salt  
½ teaspoon pepper  
3 cups canned tomatoes  
3 tablespoons butter  
½ cup coarse cracker crumbs  
Clean fish. Remove head, tail and

bones, cover with cold water and cook slowly for approximately 20 minutes. Drain and reserve stock. Place salt pork in skillet, add sliced onion and saute until onions are brown. Add to fish stock. Add potatoes and cook until almost tender. Skin and cut flesh of fish in 2-inch pieces, add to mixture and cook until tender. Then add seasonings, tomatoes and butter and heat thoroughly. Add cracker crumbs and serve immediately.

#### Onion Soup au Gratin

Wash, peel, and slice thinly 5 medium-sized onions. Brown in ¼ cup of butter in a heavy frying pan. Cover and cook slowly until tender, but not brown—about 10 minutes—adding more butter if necessary.

Add 1 quart beef broth, brown soup stock, or bouillon, and heat thoroughly.

Place slices of crisp dry toast in petite marmite—or small earthenware pots. Cover generously with grated Parmesan cheese, grated Swiss or grated American cheese. Pour hot soup over all, place under broiler flame just a moment to melt and brown cheese, and serve immediately.

#### Parsley Dumplings

2 cups bread flour  
2 teaspoons baking powder  
1 teaspoon salt  
¼ cup lard  
2 tablespoons parsley (chopped)  
¾ cup milk (approximately)  
Sift together dry ingredients, cut in fat and add chopped parsley. Add milk and mix gently with a fork. Drop by spoonfuls into boiling stew. Cover and continue to steam for 15 minutes without lifting the cover.

#### Peanut Butter Soup

1 quart sweet milk  
3 tablespoons peanut butter  
4 thin slices onion  
Salt and pepper to taste  
Add small quantity milk to the peanut butter and mix thoroughly. Heat remainder of milk, and stir in the peanut butter mixture. Add onion—and season to taste with salt and pepper. Serve with toasted croutons.

It's not strange that many of us are bewildered when we're confronted with the problem of preparing meals on a large scale. Cooking for fifty or a hundred is a whole lot different from getting a meal for a family of four or five! In this column next week, Eleanor Howe will give you recipes for serving fifty or a hundred—economical recipes of the sort you like for church suppers or the P. T. A.

#### Practical Food Containers

Don't discard your empty flour and salt bags. Wash them in hot soapy water and they will make excellent refrigerator containers for lettuce, parsley, and other raw vegetables that are best kept chilled.

#### For Cleaner Cups

To remove coffee, tea or chocolate stains from cups rub well with a non-gritty cleansing powder applied with a soft cloth. Rinse in plenty of warm and cold water to remove all traces of the powder.

## Strange Facts

Whose Signature? 'Proxy Parents' Live to Collect

In a recent experiment the Chicago Police Crime Detection Laboratory had seven college professors differentiate between four samples of their signatures, one being genuine, one an expert forgery, one a tracing and one written with no attempt at imitation. Only one man identified his own signature as genuine and recognized the other three specimens as nongenuine.

A new organization in New York supplies capable young women between the ages of 20 and 30 years to act as "proxy parents," taking children to theaters, schools, parties, dentists' offices and on shopping tours. They also stay with children while parents are away for the week-end, and meet trains and chaperon girls who come to the city for a visit.

In Great Britain, the fees of barristers, or trial lawyers, still are regarded as gratuities and, therefore, cannot be collected through legal action.
