IRON, giving strength, vigor and new life to the whole If the thousands who are suffering from Dyspapara DEBILITY, FEMALE WEARNESS, &Q, would but test the virtues of the PERUVIAN STRUP, the effect would not only as onish themselves but would please all their friends; for instead of feeling cross, "all gone" and miserable, the would be chearful, vigorous and active. A DISTINGUISHED JURIST WRITES TO A FRIEND AS FOLLOWS:

I have tried the PERUVIAN STRUP, and the result fully sustains your prediction. It has made a new MAN of me noned into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heart'er, and with larger capac abor, mental and physical, than at any time duri labor, mentsi and physical, than at any time during the last five years."

Thousands have been changed by the use of this remedy from weak, sickly, suffering creatures, to strong, heathy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

OFFICIAL-PARIS EXPOSITION, 1867 .- Advices just OFFIGIAL—PARIS EXPOSITION, 1867.—Advices just received by mail enable us to announce positively that the colly gold medal for American sewing machines was awarded to Elias Howe, Jr, as the manufacturer of the best sewing machine that was exhibited. There were eighty-two different machines in competition for the prize, and Mr Howe received the additional award of the Cross of the Legion of Honor, as manufacturer and inventor.—The exact wording of the award is as follows: Hows Machine,

"Co-operateur Elias,
Howe, Jr., promoteur de la la machine a coudre. Medail-Medaile d'or."

The official list of those who were made Knights of the The official list of those who were made uniques of the Legion of Honor, as published in the Paris papers, reads thus: "Mons. Elias llowe, Jr., fubricant de machines a coudre, exposant;" which, translated into English, reads: Mr. Elias Howe, Jr., maker of sewing machines, ex ibiting."
From this it will be seen that the medal awarded it Wheeler & Wilson was for a "Buttonhole Machine," and not for the Sewing Machine.
