BLOOD! BLOOD!! BLOOD!! PURIFY YOUR BLOOD. MAIZE'S BLOOD PURIFYING AGENT.

An effectual remedy in curing: Scrofula, Sait Rheum, Tetter, Ulcers and Sores, Blothes, Pimples, Tumors, Boils, Pustules, General Debility, Dyspepsia, Loss of Appetite. Female Irregularities and Complaints, and, in general, all diseases having thier origin in an impure condition of the Blood, or a disorderestainte of the nervous system.

This medicine, the result of skillful and scientific combination, is a purely vegetable preparation, free from all injurious ingredients.

As its name indicates it renovates the Blood, purges out the corruptions that breed in it, restoring its healthy action and vitality, and striking at the very seat of disease eradicates every trace of it from the system, and gives bloom te the pallid cheek, and health and vigor to the frame. Many diseases and much suffering are directly traceable to the impurity of the blood, and it is of the greatest importance for all that the blood which courses through every part of the system carry no poison or corruption with it. To suffer with hideous sores, pimples and eruptions and other diseases arising from impurity of the blood is no longer necessary, as the Blood Purifying Agent is sure and safe in its effects. Mothers having children suffering from eruptions of any kind will find it especially effective. The Proprietor has many testimonials from Clergymen and leading citizens of the county where the medicine is prepared cartifying to the wonderful cures effected by it.

An Interesting Letter is published in the Medico-Chirurgical Review, on the subject of the Extract of Sarsaparills, in certain effections by Benjamin Travers, F. B. S.,
etc. Speaking of those diseases, and diseases arising
from the excess of murcury, he states that no remedy is
equal to the Extract of Sarsaparilla; its power is extraordinary, more so than any other drug I am acquainted with. It is, in the strictest sense, a tonic with this
invaluable attribute, that it is applicable to a state o

then compelled to endure.

This great question was presented to his mind every day in vivid colors as he meved among the sick and dying, and observed the inefficiency of nearly all the remedies then in use. Thus he was led to think and experiment; and after ten years' study and labor, he presented to his fellow-man the wonderful Zingari Bitters. The effect of this preparation in the prevention and cure of discase, was so marvellous and astonishing, that the most flattering marks of royal favor were bestowed upon him who discovered it. His name was placed upon the Roll of Nobles, and a gold medal with the following inscription—Dr. S. Cheopsus, the Public Benefactor—was presented to him by the Viceroy.
