THE LITHIA SPRINGS .- The "Gettys burg Springs Company," represented by a party of capitalists in New York city, have ton with New-York. The Pennsylvania purchased from Mr. IRELAND the "Herr property," on the Chambersburg pike for oy the Gettysburg Railroad Company \$55 per sore. The same parties some monthago purchased the McPHERSON property, and also part of the Woodland adjoining from Messrs. FARNESTOCK and EICHELBERGER. We understand that the company making these purchases have abundant capital, which will be made available in developing the Springs and bringing the water into market for medicinal purposes. The water is rapid ly acquiring a reputation for curative proper ties, and already there is a large demand for it. The Company have leased the Springs from Mr. HARMAN, and by the above pur chases control the grounds around them.

BOLD THIEVES .- On Saturday night week, a gang of thieves visited the barn of Mr. JACOB MUSSELMAN, near Fairfield, and took therefrom a string of sleighbells ; then went to Mrs. T. A. MARSHALL'S, from which they stole two strings of bells and a set of harness. As indicated by tracks in the snow, they traveled in a wagon. A few days after, a search warrant was procured, and the house occupied by three brothers, named MYERS. at "Hardscrabble," in Franklin county, search ed, when the missing goods were found, with some others stolen from Mr. JOHN OGDEN, a week or two before. The thieves made their escape into the mountain.- Compiler.

INJURED. - On the night of the 28th ult. as Mr. JACOB HOOPFEE, residing near New Oxford, was returning to his home from the residence of Mr. ISAAC MILLER, near Hanover, along the Gettysburg railroad, he met with a painful accident. The night being very dark, while crossing a bridge over the railroad, he missed the bridge and fell to the railroad, the distance of about eighteen feet, bruising himself very severely. He was conveyed to his home by Mr. MILLER, who was attracted to the bridge by the groans of the wounded man, and medical aid procured.
