THE Maryland Copperneads have, as we anticipated, elected WILLIAM T. HAMIL-TON, of H ger-town, U. S. Senator for six years from March 3, 1869. He will succeed REVERDY JOHNSON. On the last ballot he received 58 votes, and THOMAS SWANN 48, with 8 scattering We rejoice

at this result, because it overthrows one of the most unprincipled men in this country. SWANN, after betraying the party which elected him, and restoring the Rebel. Democracy to power, demanded the Senatorship as compensation, and has failed to receive it. He is an unscranulous man; he threw into the contest about 120 offices he has to fill as Governor, and being rich, he was lavish with his means; but his infanous treachery remains unrewarded, and upon his leav-

ing the Executive Chair one year hence he will sink into insignificance. We understand that the Senate will, a

an early day, admit to his seat PHILIP FRANCIS THOMAS, the other Maryland Senator, who was elected last year and has been hanging up on a charge of disloyalty.
