Hoofland's German Bitters. HOOFLAND'S GERMAN TONIC The Great Remedies for all Diseases of the LIVER, STOMACH, OR DIGESTIVE

Hoofland's German Bitters Is composed of the pure juices (or, as they are medicially termed, Astrocts) of Roots, Herbs, and Barks, missing a preparation, highly concentrated, and entirely tree from alceholic administrate? any kind.

HOOFLAND'S GERMAN TONIC. Is a combination of all the ingredients of the Bitters with the purest quality of Santa Orus Rum, Orange, &c., ma-king one of the most pleasant and agreeable remedies ever offered to the public. Those preferring a Medicine free from Alcoholic admix.

HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the itters, as stated, will use HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter oftasts, the Tonic being the most polarishe. The stomach, from a variety of causes, such as Indiguetien, Dyspeptia, Nervous Debility, etc., is very ant to have its functions deranged. The Liver, syspathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

The sufferer from these diseases should exert ase the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skijfully compounded, is free from injuriousling regidents, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS. **▲ND** HOOFLAND'S GERMAN TONIC PREPARED BY Dr. C. M. JACK SON,

Twenty-two years since they were first introduced into this country from Germany, during which it ime they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Livar Complaint, Jaundice, Dyspepsia, Chronicar Narvo as Bebility Chronic Diarrhosa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, 80 mach, or Intestines. DEBILITY.

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Fevers, etc. There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood ispurified, the complexions becomes sound and healthy, the vallow tings is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE, And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use o. this BITTERS, or the TONIC, an elixir that will instill new life into their will.

NOTICE. It is a well-established fact that fully one-half of the funals portion of our population are seldem in the enjoyment of good health; or, to use their own expression "sever feel well." They are languid, devoid of all energy, extremely arryons, and have no appeting. To thus class of persons due have no appeting. WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail. Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are men of note and, of such standing that they must be believed. TESTIMONIALS.

HON, GEO, W. WOODWARD. Chief Justice of the Supreme Court of Penna., writes: Philadelphia, March 16, 1867. "I find 'Hoofland's German Bitters' is a good tonic useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous acties in the system.

Your, truly,

GEO. W. WOODWARD."

HON. JAMES THOMPSON, Philadelphia, Ap. il 28, 1866 "I consider 'Hoofland's German Bitters' a scleebledicine in case of attacks of Indigestion or Dyspepsis can cartify this f om my experience of it.

FROM REV. JOSEPH H. KENNARD, D. D., FROM REV. JOSEPH H. KENNARD, D. D.,
Putter of the Tenth Baptist Church, Philadelphia.
Dr. Jackson—Dear Sir:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding, the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart: for one from my usual course, to express my full conviction that for peseral disbility of the system, and especially for Liver Completed, it is a sife and calsolle preparation. In some cases it may full; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully.

Yours, very respectfully,
J. H. KENNARD,

FROM REV. E. D.
