REPUBLICAN MEETING TO-NIGHT.

The Republicans of the Borough will meet TO-NIGHT (Wednesday) at the Eagle Hotel, at 7½ o'clock, to nominate a ticket to be supported on Friday next.

By order of
EXECUTIVE COMMITTEE.

SALES.—The following sales of Personal Property, to take place this spring, will be found in our advertising column:

March 13.—Andrew Welkert, Highland tp.
" 13—Amos Cashman, Straban tp.
" 14.—Alex. D. Taylor, of Joseph, Menallen tp.
" 17—Jesse Cook, Latimore tp.
" " —Jesse Cook, York Sulphur Springs near Bragtown.
" " —Clayton Chamberlin, Hamiltonban tp.
" 18.—Christian Bonner, Straban tp.
" " —Samuel S. Stockslager, Cashtown near Fairfield.
" 19.—George Hewitt, Menallen tp.
" " —Joseph A. Wierman, Huntington tp.
" 20.—John Krumrine, Union tp.
" " —John Cleaver, Huntington tp.
" 24—B. F. Kepner, Butler tp.
" 26.—Sarah Heller, Menallen tp.
" " —Catharine and Charlotte Reever, Mountpleasant tp.
" 27.—John Irwin, Highland tp.
" 28.—Samuel Lawver, Butler tp. near Bechler's Factory.

REVENUE TAXES.—The attention of those concerned is directed to an advertisement in regard to Revenue Tax assessments, by Hon. Wm. McSherry, District Assessor, in another column. Appeals from erroneous assessments will be received until the 26th instant.

ELECTED.—The Rev. E. V. GERHART, D. D., of Lancaster, has been elected by the General Synod of the German Reformed Church, to fill the chair of Didactic Theology in the Mercersburg Theological Seminary, made vacant by the death of Rev. Dr. HARBAUGH. Prof. GERHART was formerly Pastor of the German Reformed Church in this place, and is a gentleman of marked ability.

UNION DEPOT.—A bill has been reported in the State Senate authorizing the Hanover Branch, Littlestown and Gettysburg Railroad Companies to establish a union depot in Hanover. This is a capital idea, which we hope will be put through. At present, the transfer of passengers at the depot in Hanover, often amid rain and mud, is a nuisance, of which there is constant complaint. The erection of a joint depot by the three companies will cure the evil.

COUNTERFEIT 25 CENT NOTES.—A large number of these notes are in circulation. They are the best executed counterfeits of this denomination yet manufactured, and are calculated to deceive the most careful money takers. The bogus currency may be known by the paper being a trifle lighter. The vignette of Fessenden is, at first glance, fully as correct as the genuine, but a close scrutiny shows that it is a good wood cut and not a steel engraving.

SUDDEN DEATH.—On Friday night last, about 8 o'clock, Mrs. FRANCIS H., wife of JAMES E. PLAHARTY, of this place, while attending to ordinary domestic duties, complained of dizziness in the head and proposed to retire. While disrobing herself, she fell to the floor speechless. Dr. O'NEAL was immediately called in, but after lingering until 4 o'clock, A. M. Mrs. PLAHARTY died. We understand she had been in usual health until this sudden paralytic attack, having partaken of a hearty supper. She was 44 years of age.

AN INTERESTING LETTER.—In our Agricultural Department, on 4th page, will be found another of D. P. F.'s interesting letters—the subject treated of being the new Cattle Disease, Pleura Pneumonia, &c. As these letters have commanded a good deal of attention, in and out of the county, for their well matured thought and practical suggestions, we deem it due to the author of them, to say that the writer is Mr. DAVID P. FORNEY, an intelligent practical Farmer, residing in Conowago township. He has our thanks for his contributions, which, we trust, will be continued, and would be glad to hear from other practical farmers on kindred topics.

COL. M'CLURE'S LECTURE.—Hon. A. K. McCLURE, of Chambersburg, will deliver his Lecture on *Mormonism*, in Agricultural Hall, on Monday evening next, the 23d inst. Col. McCLURE is a good talker, a sharp observer, and an unusually interesting lecture may be expected. This is the last opportunity our people will have to hear him, as in May he leaves for Colorado Territory, which will be his future residence.—Single Tickets 35 cents—to be had at the stores of A. D. BUEHLER, R. HORNER, and M. SPANGLER.

The remaining Lectures of the course will be delivered by Prof. KIDD, of Cincinnati, March 31, and by Rev. Dr. TALLMAGE, April 7.

M. E. CHURCH.—The East Baltimore Annual Conference of the Methodist Episcopal Church met in Baltimore on Wednesday last. On Friday the Committee, to whom the much agitated question of Lay representation had been referred, submitted the following report, which was adopted:

"Whereas the subject of lay delegations has for many years agitated the church; and whereas it was submitted by the General Conference of 1860 to a vote of the male members over twenty-one years of age, and to the Annual Conference; and, whereas it was disapproved by a decided majority vote of the male members and ministers, and notwithstanding, the subject continues to be agitated by the friends of the measure; and as the introduction of lay delegations into the General and Annual Conferences, or into the General Conference alone, is an organic change which has been considered by some of the best minds of the church in the laity and ministers of doubtful expediency; therefore

"Resolved by the East Baltimore Conference, in Conference assembled, That we will consent to lay delegations being incorporated in the discipline of the church when the General Conference shall present a well-defined and feasible plan, which shall be submitted to our ministers and members, male and female, for their adoption or rejection, as a majority of their votes may determine."

Revs. Henry Slicer, Thompson Mitchell, Joseph France, B. H. Creever, John H. T. Dosh, W. L. Spottswell, and T. Barnhart, were elected delegates to the General Conference which assembles in Chicago in May next.

The Committee, to whom had been referred the proposition to divide the Conference made an adverse report which was adopted by a large Majority. Danville, Pa., was selected for the next annual meeting.

Rev. J. B. MANN has been appointed Agent to prosecute the movement for the erection of the Gettysburg Memorial Church.

Among the appointments made by the Baltimore Conference South, which has also been in session in Baltimore, we notice that of Rev. ELIAS WELTY for Hagerstown.

Rev. S. M. L. CONSON, of the Baltimore Conference North, goes to Fairfax, Va.

☞ If you feel debilitated and "worn out," and want something to *tone up the system*, instead of using stimulants, take Dr. H. Anders' Iodine Water, a most powerful vitalizing agent and restorative. It permeates the entire system, and *its effect is permanent*.

☞ The "new thing under the sun" of which Solomon doubted is PEALOR'S "FLOR DE MAYO," that rare perfume for the handkerchief. It cannot be described, for there is nothing like it in the whole realm of fragrance. Sold by all druggists. 1—3

ACCIDENT.—As Mr. THOMAS GRAHAM was passing over the bridge which crosses the Bermudian, at the York Springs, on Friday, 13th inst., with ten head of horses, the bridge gave way, precipitating Mr. GRAHAM, and a young man with him, and all of his stock, into the stream, which, at the time, was full of floating ice. The horses, becoming unmanageable, several of them were severely injured. The young man with Mr. GRAHAM was badly hurt. The bridge was in a very dangerous condition, the middle pier having been taken away by the ice, leaving the span, 64 feet long, unsupported. Mr. GRAHAM, being a stranger, was not aware of the condition of the bridge. We are told that the managers of the turnpike had been notified of the fact, but left it in this unsafe condition, thereby risking life and property.

TO HOUSE-KEEPERS.—Young folks and others, who are preparing to go to housekeeping this spring, will do well to make a call at Col. C. H. BUEHLER'S Ware-rooms, near the Depot, Gettysburg, Pa., where, in addition to a large variety of the most approving COOKING STOVES, Sitting Room and Chamber Stoves, can be found a very large assortment of every kind of TIN-WARE, Hollow-Ware, Japan Ware, Toilet and Chamber Sets, Bread and Spice Boxes, Tea and Coffee Canisters, Waiters, Coffee Mills, Water Coolers, Spittoons, Pudding Moulds, Flour Sceves, Candle Sticks, Smoothing Irons, Egg Beaters, Fruit Cans, Jelly Moulds, and a thousand other articles in the house-keeping line—all of which will be sold at lowest cash prices. Call and examine. tf

☞ Has Nature an antidote for acquired diseases? The PLANTATION BITTERS, prepared by Dr. Drake, of New York, have no doubt benefited and cured more persons of Dyspepsia, Nervousness, Sour Stomach, Loss of Appetite, Sinking Weakness, General Debility, and Mental Despondency, than any other article in existence. They are composed of the purest roots and herbs, carefully prepared, to be taken as a tonic and gentle stimulant. They are adapted to any age or condition of life, and are extensively popular with mothers and persons of sedentary habits.

☞ Magnolia Water is a delightful toilet article—superior to Cologne, at half the price. March 11—2t

☞ One dollar looks like a very little sum to pay for a preparation that will effect such wonders as are always achieved by "Barrett's Vegetable Hair Restorative," now so popular throughout the entire country. Let no one be without it. This is the only hair preparation that received the "first premium" of a silver medal at the State Fair in 1866.—*Manchester (N. H.) Union* 1t

RAKERS.—HENRY THOMAS & SON will have a limited number of Brandt's Horse Rakers for the coming harvest. Farmers wanting them, will do well to send in their orders early. [mch. 11.—3t

☞ Attention is invited to MILLINERY GOODS —all kinds—advertisement in this issue, by H. WARD, 103 N. 2d street. This is an old and reliable house.

PREMIUMS FOR NEW SUBSCRIBERS.—Our friends will bear in mind that any one of our *present* subscribers sending in the names of *four* new subscribers, with the cash in advance ($2 per annum), will receive a credit of one year's subscription on their own account—in other words, for each new subscriber sent in, accompanied by the cash, a PREMIUM OF FIFTY CENTS is allowed as a credit on *present* subscriptions. Some of our subscribers have thus paid their own paper for two and three years in advance. The same opportunity is offered to *all*. Who will signalize the new year by doing likewise?

THE INDEPENDENT

Is the Best Investment of the Kind

EVER MADE.

We expect to have a good measure of success in what we shall aim to do. We expect some opposition from rival newspapers, some criticisms for mistakes of judgment, some fault-finding because we are radical, and lots of advice, as usual, from all quarters; but, notwithstanding, we expect to live and thrive, and do more good, perhaps, than ever before.

RED JACKET AXE.

COLBURN'S PATENT.—JULY 9, 1867.

TRIED AND NOT FOUND WANTING.

We claim it will cut Twenty-Five (25) per cent. more cord wood per day than any other Axe made.

SIRS:—I have fully tried your Patent Axe and find that it is all that you claim for it. It will chop faster than any other Axe that I ever saw, and leaves the wood without sticking at all. I would not chop three days without one for the cost. I need not say any more, for any man that tries one will be satisfied.

WM. KERR.

McKeesport, Dec. 19, 1867.

CAUTION!—The Axe and the Label are both patented. Infringers on these patents will be prosecuted according to law. Venders or dealers, and persons using any infringement, are liable with the maker of the infringement.
