Medical. Hoofland's German Bitters.

HOOFLAND'S GERMAN TONIC The Great Remedies for all Diseases of the LIVER, STOMACH, OR DIGESTIVE ORGANS.

Hoofland's German Bitters Is composed of the pure juices (or, as they are medici-nally termed, Estracts) of Roots, Herbs, and Barks, ma-king a preparation, highly concentrated, and entirely free from alcoholic admissiarc of any kind. HOOFLAND'S GERMAN TONIC. Is a combination of all the ingredients of the Ritters with the purset quality of Servic Owns Stam; Orange, &c., ma-king one of the most pleasant and agreeable remedies ever offered to the public.

Those preserving a Medicine free from A leoholic admix-ture, will use

HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination of the HOOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a

The sufferer from these diseases should exercise the greetest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skilfully compounded, is free from injurieus ingratients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies— HOOFLAND'S GERMAN BITTERS, AND

Twenty-two years since they were first introduced into this country from Germany, during which time they
have undoubtedly performed more cures, and beneficed
suffering humanity to a greater extent, than any other
remedies knewn to the public.
Those remedies will effectually care Liver Complaint,
Janudice, Dyspepsia, Chronic or Nervous Deblity Chronic
ic Biarrhoss, Disease of the Eidneys, and all Bleases
arising from a Disordered Liver, Stomach, or Intestines. PHILADELPHIA PA

DEBILITY, Resulting from any Cause whatever: PROSTRATION OF THE SYSTEM. induced by Severe Labor, Hardships, Exposure, Fevers, etc.

There is no medicine extant equal to these reme asars is no medicine extant equal to these remodile in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tings is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy heim.

PERSONS ADVANCED IN LIFE. And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use c. this BITTERS, or the TONIO, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrank-en forms, and give health and happiness to their remain-ine years.

NOTICE. It is a well-established fact that fully one-half of the female portion of our population are saldem, in the enjoyment of good health; or, to use their own exprantion, mover feel well." They are languid, devoid of all energy artematy nervous and have no anneticed. WEAK AND DELICATE CHILDREN Are made strong by the named either of these remedies. They will cure every one of MARASMUS, without fall. Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS. HON. GEO. W. WOODWARD, hief Justice of the Aupreme Court of Prope, writes Philadelphia, March 16, 1867.

"I find 'Heefiend's German Bitters' is a good tente, useful in disease of the digestry organ, and af great benefit in cases of debitity, and wast of nervous scion in the system. Yours truly.

GEO. W. WOODWARD." HON. JAMES THOMPSON, udge of the Supreme Churt of Proceedings to

When enraged, the animal beats his breast furiously with his hands. M. Du Chaillu's former impression that the gorilla "Kinder close folks yer stoppin' with, to was not gregarious, has been wholly changed put such a plaguy little hole in that to pre- by what he observed in very recent explorations. As many as ten have been seen together at one time, living in pairs. At night the female sleeps in the top of a tree, and the glassful in his soup, and taking his spoon, he male, as her protector, on the ground at the foot of the tree. They cannot be tamed. He and put it in his mouth. The next instant he tried the experiment eight times and failed. squirted the contents of his spoon across the They seem to hate the sight of man, and cantable into a French gentleman's bosom, and not be made to eat our food. One day he shot a female, and took from her company a "Waster! Water! Snakes and wildcats! little gorilla, with white complexion, and smooth, straight hair. Little "Tommy," as the captive was called, remained with the n a rage jumping from the table. "You have company for some time, and became so far acquire a sort of notion of the rights of prothe various species of apes to man. In doing the knees, and of man to the middle of the thighs. These apes all have thirteen ribs while man has but twelve. There are nine-

M. DU CHAILLU AND THE GOBILLA.

M. Paul B. Du Chaillu, the celebrated Af-

rican explorer, recently gave the first of a

course of lectures, on African exploration. His subject was 'The Gorilla and its Habita,

the Gibbon, Orang-Outang, Chimpanzee, and the affilinity of these to Man." The lectur-
