LARGE SALE. -The sale of personal property of JACOB LADY, in Franklin township, on the 11th ult., realized \$3,518.80.-The highest horse, in price, sold for \$320the highest cow \$39. Mr. I. had his sale well advertised. REMOVALS .- Persons removing this spring and wishing their paper changed, will please notify us of the fact, giving the

name of the post office at which they now receive their paper, as well as the name of the one to which they wish it sent. Town subscribers can notify the carrier. ADMITTED.-On Wednesday last, John M. Young was, on motion of D. Willis Esq., admitted as a Practicing Attorney in the Courts of Adams county, after a creditable examination by a Committee of the Bar.

in presence of the Court. Mr. Young is a young gentleman of fine attainments and popular address, and has our best wishes for a successful professional career. CORRECTION .- JOHN STUART, Jr., Se-

questrator of the Carlisle and Hanover turn- prices. Call and examine. pike, through the Carlisle Herald, states that the bridge over the Bermudian creek, where Mr. GRAHAM recently met with an accident, was a new one and in good condition; that the ice had lodged against the piers only the night before the accident occurred. and that he had been notified of the fact the day subsequent to the accident.

IMPOVEMENTS.-In addition to the countemplated improvements in Gettysburg, refered to last week, we notice that Wm STRICKHOUSER has commenced the erec tion of a new two story frame dwelling or East Middle street, naar Strattan.

E. H. MINNIGH, on Cambersburg street, is putting a third story on his residence, and | this wonderful medicine. remodelling the front, which will be one of the most attractive on that street.

REMOVED TO LUNATIC ASYLUM. On Thursday last, the Judges of the Court of Quarter Sessions took up the case of Dr. PEFFER, confined in jail, for the killing of Mr. Cole, and being satisfied of his insanity, made an order transferring him as an insane criminal to the Pennsylvania State Lunatic Asylum. Since his incarcoration in jail, the Dr.'s insanity has developed itself in a violent form, tearing his clothing into shreds. &c. His removal seemed to be an act of ne cessity as well as mercy.

NEW POST ROUTES .- The following new routes are established in the Post Route bill which has recently passed both Houses From Schellsburg via New Paris, Alum Bank and Spring Meadow to St. Clairsville.

to Wenk's. to Loudon.

We hope to see a new P. O. established at Wenk's in Menallen township and service put upon the new route. It will accommodate a large number of persons who now have defective mail facilities.

GETTYSBURG KATALYSINE WA TER.—The growing demand for this Water. taxes the energies of the proprietors of the Springs to meet the large orders from all parts of the country. A large bottling establishment is in full operation, with a number 4 4 4 4 4 6 6 6 6 6 of employees, and large quantities are daily shipped by railroad. We notice by the city papers, that Druggists announce it for sale, The Springs Company have purchased the M'PHERSON and IRELAND farms adjoining the Springs, and it is probable that a numoccupied by families and invalids attracted by the reputation of the water.

THE SPRING ELECTIONS.—In another column we give a list of the officers elected in the several boroughs and townships of this county, at the recent election, which we copy from the Compiler. The Copperhead managers, going it blind, have been making Gains," without troubling themselves to look into details. We felt curious enough to look into the returns, as filed in the Clerk's office, to see what basis there was for all this jubilation, and commend the result to our Democratic friends. We annex the majorities for Judge and Inspector, selecting these offices as proper tests of the strength of parties, on the vote polled:

350 330 In Franklin, Mr. Stahle was on both tickets for Judge, while in Mountpleasant the Copperheads ran in two Inspectors. In the former we give the majority for Inspector, and in the latter we give the joint Coppera full vote. York Springs, which in this ta- mestic usefulness. ble gives but 96 Republican majority, can in a full vote give us 300; while Mountpleasant, which in the table gave the Copperheads but 63 majority, can in a full vote give them over 200. But the table is an interesting supplement to the Copperhead boasts of excounty. Last fall the Copperheads carried the county by 392 majority for SHARSWOOD. Now, they have 107 majority on the vote for Judges of Elections, and 58 on Inspectorsa loss of near 300! The Copperhead politicians must have a queer kind of arithmetic,
