THE GOVERNMENT GRANTS 12,800 acres of land, and its Bonds to the average amount of \$28,000 per mile, to aid in the construction of the line, and auhorizes the issue of the First Mortgage Bonds now offered for sale, to the same amount and no more. The Government takes a second lien, and gives to the First Mortgage Bondholders a prior lien for their security, to which a large paid-up capital is added. The Bonds cap not be issued except as each section of iwenty miles is accepted by Government commission, so that they always

way or local business is already several times the interest on its bonds; so that, if not another mile were built, they would be a secure investment.

THE NET EARNINGS for eight months of last year on an average of 286 miles are officially reported at \$1,-069,136, while the interest on all the Bonds it could issue on that length of road for that time, reduced to cur-

ency, was only \$345,856. The amount paid by the Government for the transpor tation of troops, munitions, stores and mails has been, and doubtless will confinue to be, much more than the sterest on the United States Second Mortgage Bonds .-If it is not, the charter provides that after the road is completed, and until said bonds and interest are paid, at east five per cent. of the net earnings of the road shall be applied to such payement. The Union Pacific Bonds are for \$1,000 each, and have

ear annual interest, payable on the first days of Janu ary and July at the Company's Office in the City of New fork, at the rate of six per cent. in gold. The Principal is payable in gold at maturity. At the present rate of gold, these bonds pay an annual income on their cost of NEARLY NINE PER CENT.. ND IT IS BELIEVED THAT THEY WILL SOON
