township, has a Ewe, which about four weeks ago gave birth to four lambs, all or nurses three of them, the fourth being supplied with ordinary milk.

The Western Union Telegraph Company have recently extended their lines, increasing the facilties for transmitting messages. The new arrangement places the office in this place, (of which Mr. H. D. Scorr is the courteous and ooliging operator) in direct communication with Washington, Philadelphia, Pittsburg, and other leading

WILD CAT SHOT. - About three weeks ago JESSE METZ, of Hamiltonban township, shot a wild cat, which weighed 241 pounds, and measured 4 feet 6 inches in length. He and his brother were engaged in making fence, when their attention was attracted by the baying of the hounds, and upon going to look the matter up found the wild cat had taken refuge in a large pine tree. Mr. METZ procured a gun and brought the animal down at the first fire.

REYNOLDS MONUMENT.—A meeting of the Potomac, having in charge of the justify the committee in erecting the mon- grounds meditate their sale, with a view to ument. The committee requireabout \$2000 | removal to some more retired location."additional, and unless the amount be subscribed at once the erection of the monument must be deferred until, by the accumulation of interest, the fund be sufficient. The monument is to be put in the National Cemetery at this place. The committee urgently request officers and soldiers of the lowing gentlemen :- Gen. C. S. They will have a much larger force employed this year half ever before, and it is expected that between

800 and 900 MILES will be in operation during 1868. There seems to be asonable doubt that the distance between Omaha and ramento will be traversed by rail in 1870. and its Bonds to the average amount of \$28,000 per thorizes the issue of the First Mertgage Bonds now of fared for sale, to the same amount and no more. The Government takes a second lien, and gives to the Birst which a large paid-up capital is added. The Bonds cannot be immed except as each section of twenty miles is accepted by Government commission, so that they always eptesent a real property. the Union Pacific Railroad, its through business will

make it one of the most profitable in the world-but its way or local business is already several times the interest on its bonds; so that, if not another mile were built. they would be a secure investment, THE NET EARNINGS for eight months of last year on an average of 386 miles are officially reported at \$1,-069,136, while the interest on all the Bonds it could issue rency, was only \$345.866 The amount paid by the Government for the transpo tation of troops, munitions, stores and mails has been, interest on the United States Second Mortgage Bonds.-

least five per cent, of the net earnings of the road shall be applied to such payement. The Union Pacific Bonds are for \$1,000 each, and have coupons attached. They have thirty years to run, and bear annual interest, payable on the first days of Janu ary and July at the Company's Office in the City of New ork, at the rate of six per cent. in gold. The Principal is payable in gold at maturity. At the present rate of old, these bonds pay an annual income on their cost of NEARLY NINE PER CENT. NO IT IS RELIEVED THAT THEY WILL SOON

BE AT A PREMIUM. The Company have but a very limited supply of their londs remaining on hand, but any subscriptions accepted to a greater amount than can be filled from Bonds now in the Company's possession, will be supplied from the New Ronds to be issued on that portion of the road completed in the Spring, in the order in which they are received.

WIRE TOOTH HAY RAKES, STEEL PLOUGHS, FEED CUTTERS AND FARMING IMPLE-MENTS GENERALLY. of their bonds to a rate above par at any time, and will not fill any orders or receive any subscriptions on which the money has not been actually past at the Company's office before the time of such advance. Parties subscribing will remit the par value of the

ship of aix per cent. per annum, from the date on which the FIRST NATIONAL BANK and GETTYSBURG NATIONAL BANK, and in New York

JOHN J. CISCO & SON, BANKERS, No. 59 WALL St., And by the Company's advertised agents throughout the Remittacnes should be made in drafts or other fune par in New Tork, and the Bonds will be sent free of harge by return express. Parties subscribing through A PAMPHLET AND MAP FOR 1868 has just beer published by the Company, giving fuller information than is possible in an advertisement, respecting the Pro gress of the Work, the Resources of the Country traverse by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application a the Company's offices or to any of the advertised agents

GENTS WANTED FOR DANA'S LIFE OF ULYSSES S. GRANT. Comprising a complete and accurate history of his eventful and interesting career, with an authentic narrative of his invaluable military services, adding also an impartial estimate of his tehracter as a Man, a boldier, and a Stateman. By Hen. Charles A. Danss, late Assistant Secretary of War. The Sprinfield Republican asys:—"Dans's Life of General Grant is sure to be the most authentic and best Life of Giant published." For particulars, apply to or address GURBON BILL & CO, Springfield, Mass., or W. D. MYERS, 41 Maiden Lant, N. Y. April 29—44

Bey Advertisements. REAPERS AND MOWERS.

DODGES' PATENT FIRST MORTGAGE BONDS AT E. BALL & COMPANY'S WORLD'S REAPER & MOWER.

AYING had considerable experi-The Great Pacific Railroad Line, extending 1721 writes from Ominia, on the Missouri River, to the tide-waters of the Pacific Ocean, is being built by two powerful Companies—Tra Union Pacific of California, beginning at Sacramento, building East, until the two reads shall meet.

Both Companies have prosecuted the work with great vigor, the Union Pacific having already expended over.

HAYING had considerable experting and Mowing Machines in the sacring the saile of Resping and Mowing Machines in the least few years. I have made the provided the sacring the saile of Resping and Mowing Machines in the machine is a point to offer no machines in users that e-saon I sold thirty-fave of the Ollio 2 BUCKEYE Patent which have given entire satisfaction. And machine have provided the work with great vigor, the Union Pacific having already expended over.

Both Companies have prosecuted the work with great vigor, the Union Pacific having already expended over. anting machines to any or richased and have been n Edward Wagoner, Samuel Wagoner, John Brinkerhoff, William Bigham, Rush Bigham, Rush Bigham, Dr. Goldsborough, Henry Spangier, James Marrhall, Frederick Peffer, Henry Wilkert Jacob Raffensperger, Jacob Fidler.

This machine has been awarded medals and first Premiums by the Pennayivania. Inwa and New York State Fairs, and by hundreds of County Pairs in all parts of the country, including the Adams County Pairs, having received the first Premium at Benderaville in the fail 1886, and at Gettysburg in 1807, as the best on exhibition. tion.
This machine has met with the most complete success In every section where it has been introduced, it has ta-ken procedence over machines which have heretofore ranked as first class. In compactness, lightness of draft ranked as first class. In compactness, lightness of draft, excellence and elegance of workmanship and fluish, combined with great strength and adaptation to all kinds of work, it will surpass any machine heretofore offered to the farmer. The Solf-fixke on this machine has been considerably improved in the last Season, and is werranted to give general entifaction of no sale.

THE WORLD'S MOWER AND REAPER, This is an entire new machine, but judging from its injurious to the machinery. To all, you simply open the lid when all the oiling places are expored and conveniently oiled. The bursaire all encased the same as the gearing and cut in the same way, and when once lightened down—there is no danger of working foose, as is the case with other machine. The Company do not hesitate in saying that this machine, with proper care, will last a man a life time, which is a matter every farmer should take into consideration, before buying at

TESTIMONY OF REV. JACOB B. TROSTLE. LINGAMORE, PRED'K., co., MD , April 22, 1868. MR. WR. WIRIZ:—Last year I purchased one of E. Ball's WORLD'S REAPERS, and used it last harvest in in cetting my own Grain and Grass and seems of my neighbors, and have no healtstion in saying that it gave me more satisfaction as a combined machine than any I have ever used, although I have tried some seven or eight other machines. I regard it the uzer machine in market, and do not heeftare to recommend it as such to I can furnish these machines to suit farmers, and will

acan furnish these machines to suit farmers, and will as light as ingle Mowers or Combined Machines as Mowers—Self-Rake—Hand-Bake—Dropper—or Dropper and Hand Rake combined. I am also agent for BOPE'S DROPPER. Which can be attached to any make of machine. Those having old machines on hand, and wishing a Dropper can be accommodated by sending in their orders sarly and naming the kind of machine to which they wish them to be attached. Price \$30.

Sample machines can be seen at the residence of the subscriber, two mites from Gettysburg, on Harrisburg read, or at the Warehouse of Corland Bigham, Gettysburg, Pa. Farmers would do well to examine my machinery before buying elsewhere as I keep nothing but the best.
Extras constantly on hand, an 'I have made arrangements to have repairing done in the best possible manner at short notice and moderate charges.
