Dr. Jackson-Dear Sir:—I have been frequently requested to connect my name, with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for one from my usual course, to express my full conviction that, for general debicity of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it finsy fail: but unually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

espectfully,
