Commis-SNEERINGER-UNIACK.-At St. Joseph's Church, in Baltimore, on the 1st inst., by Rev. Father Dougherty, Mr. William J. Sneeringer, formerly of Adams co., to Miss Mary Uniack, of Baltimore. TROUP--BECKER.-On the 31st ult., by the Rev. P. Scheurer, Mr. William J. Troup, of Hanover, to Miss Kate Becker, of Adams country. This machine has not with the most complete success. In every section where it has been introduced, it has ta-ken precedence over machines which have bestofore ranked as first class. In compactness, lightness of farft, excellence and elegance of work massing and fluids, com-bined with great strength and adaptation to sail kinds of work, it will jurg as any machine here tofore offered to the farmer. PThe Self sike on this machine has been considerably improved in the last Sesson, and is war-ranted to give general satisfaction on a sale. THE WORLD'S MOWER AND REAPER, This lean entire new machine has indice them its AND LEAPING BUFFALO development of the life-giving property sioner, at Carlisle, and entered bial to answer LIABILITIES OF HUNTINGTON TOWNSHIP IN THE AFORESAID BOUNTY ACCOUNT. The increase in the demand for this valuable mac scend further than six feet into the earth .--The increase in the demand for this valuable machines as been TEN FOLD during the last seren months of it instyers before the public. This grand and surprising success is unprecedented the history of sewing-machines, and we feel fully wa to sustain It, the bill was ignored by the Grand What they live on, or how they subsist, in Who will absolutely impel him over county. WALTMAN -SCHWARTZ.-On the 28th ult. Proof of our state: vent that we have made Jury, the United States to pay costs. We their self constituted grave; whether they THE WORLD'S MOWER AND REAPER, This is an entire new machine, but judging from its construction and the testimonials it has received, it will be the leading machine. The gearing is out out of folid Iron, making every wheel and cog exact, fitting up close, and running as true as a clock, which makes the ma-chine much lighter of draft, and no cutiling of cogy or wear. The guaring is all closed in a tight case the same as a watch, which was a start, and no cutiled of cogy or wear. The guaring is all closed in a tight case the same indeed preventing everything that is calculated to prove injurious to the mach inery. To : il, you is imply open the it, when all the oiling places are exposed and coaysa-iently oiled. The burs are all encared the same as the gearing and cut in the same way, and which once light-ened down-there is no dunger of working isces, as is the case with other machines. The Company do not hesitate in saying that this machines, with proper care, will hat a man a life time, which is a matter overy farmer should take into consideration, before 'mying at the present bigh prices of machines.
