Larming Implements, &c J. H. SHIREMAN'S LIFE, INSURANCE COMPANY

REAPERS & MOWERS AVING been agent for this machine last season, I is also offer it to the immer this season. It is well known, having taken the premium at the Bendersville Fair, also at the Gettpburg Mowing Match over seven others, which were considered splendid machines, and likewise at the Diliaburg Mowing Match. Having concluded not to ofter any machine that will not give entire satisfaction, I have refused agencies of several other machines, and now offer this one as THE GREAT MACHINE OF THE SHASON. Having tried one myself, I know exactly what it will do. I could refer you to scores of farmers who have purchased machines of me, who are highly pleased and say this is the only machine they would use.

Extras always on hand, and repairing done here at my place. This is a great consideration—the machine can be repaired at home immediately, and with much less cost.

can be repaired at nome immediately, and with much less cost.

Another great saving is the BINDER which is at tached to this celebrated Resper and Mower. It has been thoroughly tried, and given entire settisfaction-requiring no harvest hand except a driver. This blinder can also be attached to the Resperse which have been sold; but cannot be attached to any other machine except Shireman's.

I will here refer youto a few farmers, in different localities, who have beught and used these machines:

Stenhen Gattler. Stephen Gettier, Mr. Sterner, Jacob Laman,

with ofhers, too numerous to mention.
This machine has a self-rake, side delivery, and is warranted to do its work as above recommended.
Also on hand, SHIREMAN'S SELF-DISCHARGUNG HORSERAKE, a first-rate gricle, which we will sell at she lowest nessible price. Warranted to give satisat the lowest possible price. Warranted to give satisfaction. Also the COLUMBIA RAKE always on hand. Machines can be seen at my house, three miles sount of Getty abnrg, or at Mr. Courad Snyder's Battlefield Hotel.

LEWIS A. BUSHNAN. THE New England Mutual Life THE GREAT

Conowago Phosphate. PREPARED BY C. W. BENSON, M. D., LITTLESTOWN, PA.

Takes risks in all the various modes of Life and Endowment Insurance at as low rates, as any Company doing a safe business.

All its policies are protected from forfeiture by the State law of Massachusette, so that every man gets all sile insurance he pays for.

LOSSES paid promptly and Without litigation.

WM. KING,

Agent, at New Oxford.

All communications addressed to me as above, will be promptly responded to, and I will visit any portion of the country desired with the view of taking risks and giving information on the subject.

ADAMS COUNTY

THE Conowago Phosphate is destined to stand at the destined to stand at the characteritizers. It has already proved its flughterits will some be furnished to the public. The propriets will spare no means or pains to make it a reliable and minform article. It is superior to Pervision fluors, of its public. The propriets will spare no means or pains to make it a reliable and minform article. It is superior to Pervision fluors, of its public. The propriet of the public they pain to make it a reliable and fluore and EAUAL TO IT en TUE FIRET GROP. It does not over-stimulate the soil, as most of the fortilizers in the market do, and leave the land siter gathering the first crop in a worse condition than before using it, but it remains an active fertilizer in the soil, and continues year after year to show itself food: The Conowago Phosphate contains a large percentage of Ammonia and Phosphoric acid, which are essential elements to vegetable food: They either enter of the very best material and workmanably. Our upper leather Draft Collars, can yor on pain. They are the best FITTING and soil to do so. The base of the Conowago Phosphate is the silic free to be absorbed by the grow-in paints; the protection of the great advantages of the Conowago Phosphate in the silicant protection of the great advantages of the Conowago Phosphate in the soil to the public of the protection of the great advantages of the Conowago Phosphate in the soil to the public of the public of the public

and set the silica free to be absorbed by the grow-ing plant, which is a very important ingredient in giving firmness and strength to the stalk and grain.— It will prevent the falling and ledging of crops that Our prices greatly facilitate the ripening of the grain and sector it against the rust.

Agancies are being established throughout the country wherever fertilizers are sold. We aronot atraid to place it beside the best in the country.

Let all the farmers and planters makeup their minds that they will try the Great Conowago Phosphate this fall.

Price fifty Dollars per ton.

BENSON & MAUS, Proprietors.

BENSON & MAUS, Proprietors.

The Conowago Phosphate being made very fine, and thoroughly distintegrated, makes it convenient to use in the drills, and mixes more freely with the soil. All farmers know the advantage of fine fert. lizers.

REAPERS AND MOWERS. DODGES' PATENT

OHIO AND BUCKEYE. E. BALL & COMPANY'S WORLD'S REAPER & MOWER. AVING had considerable expections in the last few years. I have made it a point to offer no machine to the farmer that will not when thoroughly tested give general satisfaction, and hence have declined the agency for all but what I regard the very best in the market. I now offer to the farmer the coming Season, two of what I consider the best machines in nse. Last season I sold thirtyfive of the OHIO & BUCKEYE Patent which have given entire satisfaction. No machine has been returned, neither has there been any difficulty with any
