July 10.—6t. CLEANER AND BAGGER, With the latest improved Triple-geared Horse Power, either Gear or Belt.

This machine has successfully competed with all the best of the different patented. Grain Separators, and now has the reputation of being the best Separator ever produced; in fact, the only Separator and Cleaner ever before the public to give general satisfaction. The machine is conveniently arranged for hauting and threshing, being permanently fixed on two wheels. One man can easily move or shift it so not half the trouble on a barn floor as a common it is not half the trouble on a barn floor as a common time. It is simple, easily managed, reliable, durable, compact and cleanly to work by while in operation, not making near the dust as the common machine or other Separators.

Farmers can rest assured that this machine is no flumbug, and judging from the high recommendation of farmers that are using them we must come to the conclusion that it is the very machine that farmers want. dersigned, Auditor, appointed by the Orphans' of Court of Adams county, to distribute the balance in the hands of Jerswish Shelly, Assignee of Laws is Sayden and Wirz, to and amongst the creditors legality entitled thereto, will attend to the duties of said to appointment, at the office of McConavour & Raucurs in Gettyaburg, on Monday, the 27th day of July next, at 10 o'clock, A.
