every side. Our increasing strength manifestly comes from conversions, and especially from the dispositions of young men to ally themselves with a patriotic and progressive party, whose triumphs and than with a tarnished and re-actionary party which turns its face away from the living ideas of the present, which seeks to obstruct the path of progress, whose policy is a policy of dishonor and shame, and over whose recent rec-

General Grant, the President elect, accompanied by his family and several of his Staff, reached Washington on Saturday evening. The trip from (talena to Washington was accomplishin that quiet, unosientatious manner which is characteristic of General Grant. Moving rapidly, seeking to withhold as much as possible all knowledge of his movements, and to avoid as far as possible all popular demonfought," he said: "Gentlemen-I see ficers, it being a mark of merit in many of you in uniforms. You laid their off three years ago, and you can now lay them off again. We will have peace. Good night." Evidently General Grant understands the character of the victory won.

The Washington city authorities and officers of the several Republican organizations of that city waited upon him on Tuesday to ascertain at what time it would suit his convenience for them to make a public demonstration. GRANT'S election will tend to establish General Grant responded that he was firmly the idea that Loyalty, and not glad to meet them to receive their con-Treason, shall be a test of merit, and gratulations, but hoped that they an occasion of promotion. would spare him any public demonstration, stating tiest he would be glad to receive his friends at his residence. One of General Grant's first acts up-

Washington was to order the destruction of several bushels of letters which Sample.
Here follows the picture of a very thou of several bushels of letters which have been sent to him in relation to offices, &c., which had been opened and briefed by his Staff. No record of them was kept, and this timely warning will probably save a vast amount for importunity in advance, and indicates a determination not to allow the cates of State to weigh him down pre-
