Resolutions denouncing the course of the Bishop, and declaring that Vork but extended over Orange Ulster Vork but extended over Orange Ulster may the present interchange of friendly Monroe, West Chester and other counties. sentiments between us prove a good augury "Among the frauds practised under the for the continuance of those relations so happily established between America and

Germany, A story is told of McKean Buchanan, who is said to be one of the finest "poker" applicants and witnesses forged; granting players in the world. While in Australia a few years since, Mr. Buchanan had a thrifty, speculative agent, who took the money at the door and generally kept it. The tragodian couldn't well afford to dispense with the man's services for so trifling a lative agent with a mania for this game of poker, and when the agent had captured all the money at night Mr. Buchanan would skilfully and unfailingly win it all away from him during the next day,
