"Other journals have censured me for for days, to earry persons thronging to obtruding myself upon General Grant, and attempting a factious dictation as to his apart of the control of the contr Washington. Besides the military, political and civic associations, it was thought the crowd would be largely in excess of any previous inauguration.—
Geu. Grant's inaugural would doubtless be terse and brief. To-day he will send to the Senate his Cabinet appoint.

Respectfully flexible and considered: as to respectfully flexible and considered: as to

An important bill, desired to vindicate the national fatch and promote confidence in the national securities, reported by Mr. Schenck, of Ohio, passed the House by a decided vote last week, and on Saturday the Senate passed the bill with some slight amendments. The following is the form in which it passed the Senate:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to remove any doubt as to the purpose of Government to discharge all just obligations to the public creditors, and to settle and promote to the laws by virtue of and written, or would write, a letter to change and interpretations of the laws by virtue of the confidential advisers of the President.

gation has expressly provided that the same may be paid in lawful money, or other cur-
