ally that looking to an early completreated the question thus: the Gettysburg Railroad Company, as a Maryland and the valley of the Shene andoah ... Frequent inquiries are made as to the precise status of the proceedings now pending in the Supreme We do not propose to go into the depany. It is sufficient to say that the stock subscriptions of about \$125,000 were sunk in expenses incident to the ornding of the road, and that Mortgage Ronds to the amount of \$200,000 were issued to build the superstructure; lars, with all the coupons attached. were, in 1856, 1858 and 1859, deposited on a margin of about sixty cents on the dollar as collateral security for try. loans made on the notes of the Gettystimore. On the 4th of June, 1862, the company owed \$65,886, on notes held by Johns Hopkins and others, for which bonds to the amount of \$112,-000, with all the coupons attached, had been hypothecated as collateral security. The road was put in sequestration some years ago, by decree of the Court of Common Pleas of Adams county, on the suit of John H. McClellan, and Baldwin & Co., judgment creditors.— Since thence, there have been repeated distributions of the funds in the hands of the Sequestrator, arising from the profits of the road, that distributed on the hypothecated bonds being appropriated to the payment of accrued interest on the notes, and the surplus to

where about \$55,000 or \$60,000. Besides this indebtness, there are several judgments against the Company in favor of J. H. McClellan. Baldwin & Co.; Robert McCurdy, and others, amounting to over \$20,000 not the entire debtedness, in round num-000; balance on Notes, for which bonds
