I 8 superior to any other Machine now in use, and I. will excel any that will ever be introduced, having been thoroughly tried and given general satisfaction. I would now inform all those who intend purchasing Machines to call and examine for themselves. This Machine is noted particularly to excel all other machines in strength, durability, ease of draft, and reliability of work, in all kinds of grass and grain.—
It cuts lodged grain admirably, which is a great item in Machines to a farmer. It can be used as a hand rake as well as a self-raker. It cuts 5 feet 2 inches in grain; 4 feet 10 inches in grass; has a steel cutter bar, with wrought iron guards; it can be used as a Single Mower as well as a Combined Machine.

Afull trial of the Machine can be had.
Also, SHIREMAN'S EELF-DISCHARGING HORSE RAKE, and the great and well-known BRANT BAKK, the best rakes ever introduced.
