EXCLISH POLITICS

We amen the Recolution adoption to the copperhead State Congress and the House of Lordes of the company of the requently doce—or why were action that continue the Lords should create so many the Lords should be should create so the Lords should be should create so the Lords should be should create so the Lords should be sho D. McConaughy, David Wills, E. G. Fahnestock, D signed equal legislative power with the added the missing plank, and resolve

Not so with the British House of Lords. It is an anomaly—and a monstrous anomaly—unrecognized in any strous anomaly—unrecognized in any bers of the proposed 15th amendment the Bostick got up the water was almost there of the proposed 15th amendment too. By that time the house swung round, bers of the last Legislature, and their refusal and then we went crashing through collar bone.—Henry Myers, a boy about 18 other political system throughout the world. It has grown up out of the feudalism of English society—a memorial of the long since discarded past morial of the long since discarded past fication should be promptly repealed, and permitted to exist to-day, simply the amendments submitted to the people at by that time. Our fail bark now consisted the amendments submitted to the people at by that time. The English Peer is elected by nobedy,

the Democracy of Schuylkill and by nobody. In many cases he holds line federal and by nobody. In many cases he holds line federal and state Government line federal and the fe his seat simply because a century or two ago some ancestor was fortunate enough to secure the favor of the made for the amelioration of the condition made for the amelioration of the condition short time we struck the body of a tall cothering man have our most cordial structure. reigning sovereign and with it letters of the laboring men have our most cordial ton-wood, and I made a desperate leap into Strange to say, she was not instantly killed; such bottle) and externally for Chronic Rhoumanis them. The Reading Gazette (Demo- reigning sovereign and with at letters crat) predicted defeat if Hancock patent elevating him to the Peerage Sixth. That the legislation of the late the forks of it. I was then apparently out but she died a few days after from lock jaw, patent elevating him to the Peerage should not be nominated. "Coming events cast their shadows before."

The thieves and pick-pockets who went to Harrisburg last week to manipulate the Démocratic State Convening last week to manipulate the legislation of the late constitution, the disregard of the majority therein of the water was going on. The water was going on. The water was going on. The water was going on the ferons of the Lutheran church, below over. I then had time to look around of the water was going on. The water was going on the ferons of Peer of to-day may hold his right to a seat in the House of Lords simply because his father, grand-father, or other lican government, and the directly to the destruction of all republican government, and the creation of the lican government, and the water rose not less than 15 feet in that time.

Bother's trunk and most of his outfit were nominated by his provers; in fact, they have seldom darpositive fact, and by the help of that vote not only elected their candidate for Governor, but gave a deathsting to the careful England the locomor, only of each way. The Fernandical for Governor, but gave a deathsting to the careful England the locomor help with the personanced acadidate, have only presented a new victim to be placed upon the politic fact. The way was to prove a service of the first trunk and most of his outfit were discussed the next day in those deaths were due directly to intoxications which will be great coat. Brother was away cutting the conservatives of Virginia and the total number of lives sacrificed through strong drink. Railways are debit and the total number of lives sacrificed through strong drink. Railways are debit and the total considered as the were in careful England the locomorbal personance of a sale with 4,175 violent deaths, which shows that even in careful England the locomorbal personance of the secondary of the provided candidate, have only presented a new victim to be placed upon the politic po

Hence the perilous nature of the is sue which the Peers, under the lead of the parents or protectors. Out of the number of \$3,853 violent deaths, no fewer than the parents or protectors. Out of the number of early of the parents or protectors. Out of the number of early of the parents or protectors. Out of the number of early of the parents or protectors. Out of the number of fee to feed all who might come along hungers of age. This is nearly one-fourth of the total, and the Registrar General writes down that 3,938 of these infants were burnt to death, 3,958 of these infants were burnt to death, 3,267 scalded to death, 1,950 drowned, and 5,134 suffocated. Under the head of "mechanical injuries," such as fractures, falls, &c., the Registrar General returns 28,114 deaths; under that of "chemia in charge of the Bureau of Statistics just sent to press, for the quarter ending March all injuries," such as burns, scalds, and poisoning, 14,942; by drowning, suffocation, or other forms of asphyxia, 23,883, and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 23,885; normal of the sufficient of the poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 23,885; other countries of Europe, 360; China and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,883; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; by drowning, suffocation, or other forms of sephyxia, 28,885; and poisoning, 14,942; make with the English nation, by ad- years of age.
