ON HIS DEPARTURE FOR EUROPE IN
OCTOBER, 1889.

A cloud is on my heart,
No matter how we part,
Let me speak my warm adieu,
While you stem the rolling main—
A pleasant return your foreign clime,
And safe return again.

When we wish you good success,
And when we wish you good success,
Let me wish you good success,
And when we wish you good success,
Let me wish you good success.

When we wish you good success,
And when we wish you good success,
Let me wish you good success,
And when we wish you good success,
Let me wish you good success.
