HON. CHARLES B. BUCKALEW has been elected State Senator from the 15th district As the district is hope lessly Democratic, we are glad to not the election of so good a man as Mr. Buckalew. He served as U. States Senator for six years, and although a radical Democrat, he is a man of abili ty, undoubted integrity, and the corruptlobby ring will have trouble to manipulate him. The Senate will be improved by the presence of such men as Mr. Buckalew and H. Jones Brooke.

WE have another chapter of horror from the West, the burning of a steamer on the Mississippi on the evening ofthe 27th ult., with nearly 300 persons on board, all of whom were lost except about 50. The boat took fire from a candle, used by some of the deck hands while playing cards near a bale of hay.'

The hay by some means took fire, and the flames spread rapidly. The pilot undertook to run the boat ashore, but struck a sand bar more than half a mile from shore with deep water intervening. The rapid destruction of the boat made it necessary for the passengers to risk the river. The scene is represent ed as being terrible-passengers strug gling in the water with each other and desperately contesting for every float of timber until picked up by boats. defeat.
