PRESIDENT'S MESSAGE.

We surrender a large portion of our space to-day to President Grant's Message. It is a plain, frank, business document, tersely written, and will be
requirements of every living thing; with a
population of 40,000,000 of free people, all
read with interest and command genspeaking one language; with facilities for eral approval. As the message is not very long, and will be generally read, we omit any detailed synopsis of its contents. The President organs with press and the school with a resonant form. contents. The President opens with congratulating Congress upon the improved condition of the country, the proved condition of the country, the harmony is being rapidly restored within harmonious condition of our foreign our own borders, manufactueres hitherto relations, the reviving industrial energies of the nation, and the rapid reerganization and restoration of the re- any other power. These bless ellious States. In the case of Georgia, where the Constitution and Reconstruction acts were violated by expelling colored members of the Legislature and admitting others disqualified by the 14th amendment, the President recommends the passage of a Bill autand enlightened constituency, nor by our thorizing the Governor of Georgia to own consciences. THE WORK OF RECONSTRUCTION. convene the Legislature as originally elected, to proceed with the work of re-construction in accordance with

The evils of an irredeemable paper efforts of Congress should be directed to such legislation as will insure a gradpayments. The President thinks our bonded debt now due can be replaced terest, and the whole debt finally funded at the same low rate. With this venues, and continued economy in the administration of the various Departments, a reduction of from sixty to eighty millions in taxation could be safely made.

The President, while sympathizing with the struggling patriots of Cuba, form, elected a Governor, n thinks the rebellion has not made such gress, a State Legislature and all other off progress as would justify their recognition as belligerents. In regard to the tion as belligerents. In regard to the formed all the acts of Congress. Subse Alabama claims, he expresses his unquently, however, in violation of the Con qualified approval of the rejection of the Johnson-Clarendon treaty, as misconceived in its scope and posstisfactory in its provisions. The renewal of subject is left for a better appreciation on both sides of the issues involved in it.

Constitution, an article which they them-selves had contributed to ratify. Under these circumstances I would submit to you whether it would not be wise mithout to you whether it would not be wise mithout to you whether it would not be wise mithout to you whether it would not be wise mithout to you whether it would not be wise mithout to you whether it would not be wise mithout to you whether it would not be wise mithout the wise substantial to the property and self-submit to you whether it would not be wise mithout the wise substantial to the property and self-submit to you whether it would not be wise mithout the wise substantial to the property and self-submit to you whether it would not be wise mithout the wise submit to you all peoples struggling for liberty and self-submit to you all peoples struggling for liberty and self-submit to you and self-submit to you all peoples struggling for liberty and self-submit to you all peoples struggling for liberty and self-submit to you and you have submit to you have you negotiations with Great Britain on this

The message concludes with a number of important recommendations in relation to domestic matters, which will be found under appropriate heads.

ALBERT D. RICHARDSON, who was shot by DANIEL MCFARLAND, died of Rev. Mr. FROTHINHAM, WARD BEECH- their labor. ER assisting. Mr. RICHARDSON was quired a high reputation as a newspathrough the South and managing to get his letters through to the *Tribune*, will not now suggest plans by which this object may be effected, but will, if necesdespite the sharp police regulations un-der which the Secession movement was inaugurated. He subsequently became one of the noted Tribune Army corres-Vicksburg, and spent 20 months in the Rebel prison-pens, finally making his escape, by a long and tediousness footmarch of 400 miles through canebreak and wilderness, to Knoxville, Tenn., whence he sent to the Tribune the family of Death—out of the mouth of Hell." He subsequently published "Camp, Field and Dungeon," and "West of the Mississippi," both of which works have had a heavy sale. His murder by McFARLAND, under the idea of fancied domestic wrong, has drawn from the least of Virginia, Mississippi, Mississippi, "Relation to them the subplice which substitute the most equal to the protection which substitute them to them the constitutions, and submit the Canstitutions, where called. In Virginia the elections took place on the 5th of July, 1869. The Governor elected have been installed; the Legislature met and did all required by this resolution and by all the Reconstruction acts of Congress, and a heavy sale. TO CONSUMPTIVES.

The Advertiser, having been restored to health in a few weeks, by a very simple remedy, siter having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a sure Cure for Consumption, Asthma, Bronchitia, etc. The object of the advertiser in sending the Prescription is to henefit the safficted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, will please address REV RDWARD A. WILSON.
