Aug. 13, 1869-17 A Word to the Wise! HIGHLY IMPORTANT TO FARMERS Renner's Chemical Fertilizer

THE importance of a quick, active and durable. Fertiliner, adapted to the soil of our county, is acknowledged by all Farmers. Having matisfied myself, after long study and careful experiment, that F.O. Rewinds? Chemical Fertilizer

arpasses all others in adaptednesse to all kinds of oil, Thave purchased the right for Adams sounty, and am prepared to dillorders brit promptly and on mesonable terms. It is no humbug, but HAB BEEN SUCCESSFULLY TRIED DRY GOODS by a number of our Farmers, and is admitted by all who have it to be the best in the market, and the diseapest. I sufpressed to farnish this Fertifizer in any quantity, and will deliver In any town or village in the County,

when ordered in not less quantity than a TON. I manufacture it for sale at \$50 per ton without bags, or \$55 in bags. This fertilizer is composed of the best fartilizing chemicals that can be had. I mae no oil of vitriel; it does not contain any samisonia, therefore I do not use it. Heither do I use time nor ashes. THE ORISOT OF THE CHEMECAL PRETILIZER ILE OBJECT OF THE OHMERGE FRETLIER
is to introduce a fertiliser that will leader a series of
crope—not only for one. It consider sufficient an heal
matter to mature the grain and make it ripen early,

THE COUNCIL. ITS GENERAL CHARACTER. The Council at Rome occupies a very conspicuous place among the religious as semblies of modern times. In the Roman Catholic Church no such assembly has been held since the Council of Trent, which closed more than three hundred years ago. And it is noteworthy that during these three hundred years no other form of religious belief has been able to convoke a Council which to an equal extent embraced representatives from all parts of the habitable Fall- and Winter Goods. sew, though vast, countries in Eastern Northern and Eastern Africa, and again broken up into a number of parties, which have no bond of union, and have never even Archbishop.
