A PULL ASSORTMENT OF Drugs & Family Medicines PATENT MEDICINES, LIQUORS AND WINES FOR MEDICAL PURPOSES,

crumbs from his lap, "I can't see what fun

and meaking to me. He were it is nome of our business what Joe brings for dinner, or where he goes to eat it." Sally's notions."

and in five minutes the whole play ground was in an uproar of fun and frolic. The next morning, at the first stroke of the bell, a half dozen roguish faces peeped into the school room, and, sure enough, there was Joe Green, busy plying his pen-

with his fine face fairly crimson with shame or something else; we shall see. "It is big enough to hold a day's rations or a regiment," said Henry Colby, as Will pulled out a nice white napkin. Next came

a whole newspaper, a large one, too; and | beautiful prayer? Jesus, our dear Saviour, then, in the bettom of the basket, was one taught it, and who could better tell us how LITTLE COLD POTATO; that was all. Will to pray to His Father and our Father, to held it up with a comical grimace, and the His God and our God.

into the box again, replaced the paper, and half filled the basket, large as it was, with the contents of the bright tin pale that aunt Sally delighted to store with dainties for her darling's dinner. Ned was in his seat almost as soon as the rest, and all through the forenoon he looked and felt as guilty as the

school room. "I should think he'd suspect something. whispered Will Brown; "that coal must be awful beavy," Joe disappeared in the school room, and the curious eyes that peered through the | then let it dry; then lay another in the same erack of the door were soon rewarded by

Colby; but just at that moment they saw

Joe Green carrying his basket into the

ody's bees but ker's ever made, and the plump white breast of a chicken. It was a dinner fit for a king; so poor Joe thought, and so the boys thought, as they peoped

Will Brown after a while. "It's just like rill; "I've felt as mean all the forenoon as if I had been robbing a hen roost. The Greens are not to blame for only having cold didn't want us fellows to know it."

is called for.

his dinner in silence, but the fact was Will Brown began to fell uncomfortable. "Father says Mr. Green was the bravest man in the company," said Sam Merrill, "and that he wouldn't have been killed, only he thought of every one else before him-

motion will signify it by giving three cheers for Ned Collins-there he comes this minute, brim full of chicken pie." The boys sprang to their feet, and swinging their caps in the air, gave three hearty cheers for Ned Collins, and even Will Brown the Academy play grounds. A little later, joined the chorus with as loud a hurrah as any of them. Sam Merrill explained the

hurting somebody's feelings,' and what aunt "I should like to know," said Howard Sally says is almost always so." "RECKON I couldn't drive a trade with the Yankee pedler, as he stood at the door of a merchant in St. Louis. "I reckon you calculate about right, for

you can't no ways." "Wall, I guess you needn't get huffy bout it. Now, here's a dozen genooine razor straps, with two dollars and a half, "I tell you I don't want any of your strops, so you may as well be going along."

ing to do; but then folks do that sometimes trade yet." the money. "Now," said he, chaffingly, "I'll give you sixpence for the strops." tinued he, after a little reflection, and with not threatening demands of gentlemen who a burst of frankness, "I calculate a joke's a fellow does biting anyway. You know he is always in his seat by the time the first bell rings, and we can get a peep into his all," said he. "Here are your strops; give of stiff skirts was heard coming up the stairs Yankee, as he took the strops and handed

> straps." THAT WONDERFUL PRAYER. - Which? Why that one which your mother taught you. Did you ever think, short though i be, how much there is in it? Like a diamond in the crown of a queen, it unites a housand sparkling gems in one. It teaches all of us, every one of us, t look to God as our parent-"Our Father."

It prompts us to raise our thoughts and

desires above the earth-"Who art in It tells us we must reverence our Heaven y Father-"Hallowed be thy name." It breathes a missionary spirit-"Thy kingdom come. And a submissive, obedient spirit—"Thy will be done on earth as it is in Heaven." And a trusting spirit-"Give us this day our daily bread.

And a forgiving spirit-"Forgive us our trespasses as we forgive those who trespass against us. And a cautious spirit-4Lead us not into temptation.' And a dependent spirit-"Rut Deliver us from evil." And last of all an adoring spirit-"For thine is the kingdom, and the power, and gan, however, to look less furiously at oththe glory, forever and ever. Amen."

Now is it not both a wonderful and a

troubled than before. A pause of some minutes succeeded before any new "appearance" took place, during which time A numonous young man was driving a the Lotharios were engaged in displaying horse, which was in the habit of stopping at their points to the best advantage; and every house on the roadside. Passing a some pulled out the various colored notes country tavern, where were collected to they had received, and either pretended to gether some dozen countrymen, the beast, read them or laid them conspicuously on as usual, ran opposite the door, and then the table. stopped, spite of the young man, who ap-

plied his whip with all his might to drive the vicious horse on; the men on the porch | ful of soup, to myth No. 2. ommenced a hearty laugh, and some inuired if he would sell that horse. "Yes," said the young man, "but I cannot recommend him, he once belonged to a | with the pork and beans before him, who is butcher, and stops whenever he hears any so pensively leaning his cheek upon his calves blest." The crowd retired to the hand?" said myth the first,

KEEP ON PRAYING .- "Do you think," I

asked, "that the Lord will let me see in

this the salvation of the souls for whom I others, as he saw the sly looks and winks pray?" "I cannot say as to that. When fashionable restaurant in Broadway. The that were exchanged among them. Noon I was a child in the Sabbath school in the old country," she continued, "my faithful teacher used to say, "I have prayed too much for my class for one of them to be ing after hats, and a gathering up of loose lost." I was a thoughtless girl at the time, and remember wondering at it, and thinking it a very self confident remark .-She was so sure. "I shall have them all." she would say, "I shall say to Christ at the judgment:—Here am I and the class thou hast given me." "And were they all con-

bar in silence.

of the sixteen gathered into the fold," Az exchange says: "Save all your news papers, and when you get enough for the purpose, make a paste as for putting on wall paper, and lay them down, one by one, pasting them till your floor is covered, again with a good coat of varnish, and you could quietly settle down in life."

stating that he had stowed himself under the Musquiros.—The eggs of the mosquito are laid in a bowl-shaped mass upon the surface of stagnant water by the mother fly. After hatching out they first become the "wiggle tails" or wriggling worms, tha t may be seen in the summer in any barrel of water that is exposed to the atmosphere for any length of time. Finally the "wiggletails" come to the surface, and the fullfledged mosquitos burst out of them, at first with very short, limp wings, which in very short time grow both in length and stiffness. The sexes then couple, and the above process is repeated again and again, probably same way, much as to say. "Well, there's several times in the course of the season.

It is a curious fact that the male mosquito, which may be known by its feathered antennæ, is physically incapable of sucking The mosquito is not an unmitigated pest. Although in the winged state the female

by purifying stagnant water, that would herwise breed malarious diseases. Linnseus long ago showed that if you place two barrels full of stagnant water side by side, neither of them containing any 'wiggle-tails," or other living animals, and cover one of them over with gauze, leaving the other one uncovered so that it will soon become full of "wiggle-tails" hatched out from the eggs deposited by the female mosquito, then the covered barrel will in a few weeks become very offensive, and the un-But before the answer could be given.

covered barrel will emit no impure and un-SAVOIY VADOIS. GEN. George B. PERRY J. TATE, WILLIAM D. HOLFEWORTH:

The Star and Sentinel. THE LIGHT OF HOME. The light of home, how bright it beams When evening shades around us fall; And from the lattice far its gleams To love and rest and comfort call.

When wearled with the toils of day And strife for glory, gold or fame, How sweet to seek the quiet way, Where loving lips will lisp our name, Around the light of home! When through the dark and stormy night The wayward wanderer homeward flies, How cheering is that twinkling light, Which through the forest gloom he spies. is it the light of home. He feels That loving hearts will greet him there, And safely through his bosom steals

Around the light of home. The light of home-how a ill and sweet It peeps from youder con see door, The weary laborer to gree. When the rough toils of day are o'er! Sad is the soul that does not know The blessings that it beams impart, The cheerful hopes and joys that flow And lighten up the heaviest heart,

Around the light of home.

The joy and love that banish care,

CAPITAL FUN. It was a little past twelve o'clock, and merry group of boys were seated on the young grass, under the trees that shaded and they would be scattered in every direction at their play; but first they must at thing to Ned, and he only said in reply, tend to the contents of well filled pails and Tve often heard aunt Sally say that 'it was baskets, where their dinners are stored a poor kind of fun that must be earned by

Colby, "why Joe Green never comes out here to eat his dinner with the rest of us but always sneaks off somewhere till we all get through?' "Guess he brings so many goodies, he is afraid we shall rob him," said another. "Poo!" said Will Brown, throwing himself back on the grass, "more likely he doesn't bring anything at all. I heard my father say that the family must be badly pinched since Mr. Green was killed; and you may hev 'em for two dollars." mother said she didn't pity them, for folks had no business to be poor and proud." "Well," said Sam Merrill, "I know Mary

that aren't very poor." "And Joe is wearing his winter clothes all this warm weather, and his pants are patched behind-Isaw them," said Howard Colby, with a very complacent look at his new spring suit of light gray. "I tell you what, boys," said Will Brown, basket, and then be in season for roll call." The boys agreed to this, but Ned Collins. who had sat quietly eating his dinner, and taking no part in the conversation. Now, he simply remarked, as he brushed the with that ere sixpence don't buy rasur-

"You're always such a granny, Ned Collins," said Will Brown, contemptuously.-"You've got every one of your old aunt Ned could not bear to be laughed at, and it made him a little angry to hear his kind old aunt sneered at, but his eyes only flashed for a minute, and then he sprang up, Heaven. shouting, "Hurrah, boys, for foot ball!"

cil over the problems of the algebra lesson. It was but the work of an instant to hurry into the little clothes room, and soon the whole group was pressing around Will Brown as he held the mysterious basket in his hand. Among them, in spite of the re monstrance of yesterday, was Ned Collins

boys laughed, and cheered as loudly as they dared in the school house. "See here," said Howard, "let's throw i away and fill the basket with coal and things; it will be such fun to see him open The boys agreed, and the basket was soon filled, and the napkin placed carefully on he top, and before the bell commenced olling they were on their way down stairs. Ned Collins was the last to leave the oom, and no sooner did the last disappear than, quick as a flash, he emptied the coal

came, and there was the usual rush to the clothes room for dinner baskets; but instead of going out to the yard, the boys lingered about the door and hall. Straight y them marched Ned Collins, with his pail on his arm. "Hello, Ned," said Sam Merrill, "where are you going now?" "Home," said Ned, laughing, "I saw annt Sally making a chicken pie this morning and I am going home to get some." verted?" I asked, "Yes; she did not live "Ask me to go, too," shouted Howard o see it, but my eyes have seen it—the last

of the latest styles, unficient to most the public demand. Our horses are good, without spec or blems, and sampled exhibite some of your wild, exist on the most excommendating terms.
