Especially, who have betoms the Victims of Selitary Vice, that dreafful and destructive habit which an-nually sweeps to an untimely grave thousands or young men of the most exalted palents and brilliant in tellect, who might otherwise have entranced listen-ing Seantee with the thunders of ekquence, or wak-ed to centery the living lyre, may call with full con-desce. MARRIAGE.

MARRIAGE.

Married persor s, or Young Men contemplating marriage, aware of Physical Weekness (Loss of Procreative Power-Lingotency), Nervous Excitability, Palpitation, Ortanic Weekness, Nervous Debility, or any other Disqualification, speedily relieved.

He who places himselt under the care of Dr. J. may religionely copiled in his hong as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNES,

IMPOTENCY, LOSS OF POWER,

Jammediately Curad and Full Visor Restored.

Immediately Cored and Full Yigor Restored.

This distressing Affection—which renders live uniserable and marriage impossible—is the penant; paid by the victims of improper fodes pences. Young persons are too act to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that uncertained the subject will protend to deny that the power of procreation is lost sooner by those falling into improper habits than by the present Besides being deprived of the pleasure of healthy offpring, the most acrious and destructive tymploms of both body and might wins. The system becomes dernighed, the Physical and Mendall Functions weakened, Loss of Procreative Power, Nerrous Irritability, Dyspepsia, Palpitation of the Heart, indigestion, Constitutional Debinity and Wasting of the From. Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS.

A CURE WARRANTED IN TWO DAYS.

Member of the Boyal College of Surgeons, London, Graduate of one of the most emiment Colleges in the United States, and the greater part of whose life has been spant in the hospitale of London, Paris, Philadelphia and elsewhere, has effected sense of the most autoniahing current that ware ever known; many asiputa and showhere has effected wine of the most actor the most lofty and imposing of all tronbled with ringing in the head and care when sounds, heahfulers, with derangement of mind, were curred immediately.

And Jack picked up his basket and start ten adds to their spirit of mischief and millighty. Thus we see that men, by their own conduct, often transfuse into the anii own conduct, often transfuse into TARE PARTICULAR NOTICE.

TAKE PARTICULAR NOTICES.

Dr. J. addresses all those who have injured themselves by improper limblings and softery habits, which rain both body and mind, unfitting them for either business, study, society or marriage.

These are some of the and and melancholy effects produced by the early habits of youth, vis. Weakness of the Eack and limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Pewer, Papitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digustive Functions, General Debility, Symptoms (Consumption, &c.

Who have injured themselves by a certain practice, induffed in when along, a habit frequently learned from svil companions or at school, the effects of which are nightly tell, even when salesp, and if not emed, remers marriage impossible, and destroys both is scarcely less so with every animal under its countries. WAS entered last Week and a large quantity o W. Dry Goods, Notions, Queensware and Carpeting

DISBASE OF IMPRUDENCE.

ore mode that he has imbibed the seeds of this painful disease, it too often happens that as ill-timed sense of sheame or dread of discovery deters him from applying to those who, from education and respectability, can alone befread him, delaying till the constituational symptoms of this horrid disease makes their appearance, such as inherested sore throat, discovery design, designed, so he such as in the head and limbe, dim new of eight, designes, nodes on the alta bones and arms, blotches so the head, face and extramities, and such frightts topidity, till at last the professing the mouth or the bones of the now fall is, and the victim of this awill desse becomes a horrid object of commiseration till death puts a period to his dreadful seffering, by senting human period to his dreadful seffering, by senting human between the important country from whence so traveller returnis. ebject of commiseration till deain puts a period to his dreadful seffering, by sensing him to that undiscovered country 'from whence no traveller returns."
It is a melancholy fact that thoreamed DIS victime to the bearible 'discusse, through feiting into the hands of Ignotant or unskillful PRETENDEDS, who, by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incepable of curing, keep the unhappy sufferer month after month taking their notions or in jurious compounds, and instead of being reasoned to a renewal of Life, 'jegor and Happiness, in despair leave him with ruined Health tosign over, has galling disamplitment.

To such, therefore, Dr. Jourston pledgenhimself to preserve the most in violable Secrety, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, vis: England, France, Philadelphia, and elsewhere, is enabled to offer the most Certain, speedy and Effectual Eemedy in the World for all Diseases of Impresence.

Office. 7 South Frederick st., their fellow men. Now to be aid of our doors from the corner. Fall not to observe name and number.

All-No letters received unless postpaid and containing a stamp to be used on the reply. Pessons writing should state age, and send a pertion of advertisement describing symptoms.

There are so many Palitry, Designing and Wortisless Imposters advertising themselves as Physicians, trifting with and ruining the bashlat of all who unfortunately fall into their power, that Dr. Johnston deems it necessary to say especially to those unacquainted with his reputation that his Credentials er Diplomas always hang in his office

ENDORSEMENT OF THE PRESS.

The many thousands cared at this Establishment, year after year and the numerous important Surgical Operations performed by Dr. Johnston witnessed by the representative of the press and many other persons, notices of which have appeared again and again before the public, beaded his standing as a gentleman of character and responsibility, is a sufficient convented to the SUCCO. SKIN DISEASES SPERBILY CURED.

period away ence I saw the Empress En genie and Queen Victoria si ting like by side. Assuredly the diff-rence even then might well have been called a contrast, though the queen was in her happiest time and has worn out terribly fast since that period. But the quality which above all others Queen Victoria wanted was just that lu which the Empress of the Fiench is so.

VICTORIA AND EUGENIE.

preme-the quality of imperial womanly grace. I have never been a rapturous ad nirer of the beauty of the Empre s; a cetain narrowness of contour in the face, f eyes too closely set together, and an appear ance of artificiality in every movement of the features, seem to me to detract very much from the charms of her countenance But her queenly grace of gesture, of attitude, of form, of motion, must be admitted to be beyond cavil, in I superb. She looks ment would have with race and attractive ness; a blanket would become like a regal mantle if it fell round her shoulders; I verily believe she would actually look grace ful in Mary Walker's costume, which I consider decidedly the most detestable, in an ardatic sense, ever yet induced by mortal woman. Poor Queen Victoria looked

expressed so well the combination of supand charming womanhood. Time has not of late spared the face of the Empress of the Fiench. Lines and hollows are growdeeper into their places; the complexion is fading and clouding. But the grace of form, of movement is still there, unimpaired and and little Betty, the youngest, came to be Betty, "and sort of went to sleep, and then | ut surpassed.
