June 3, 1970-8 ROBINSON PERFITED INEX.—In OUR advertising columns will be found a number of extracts from newspapers complimenting the Printing Ink manufactured at the Gray's Ferry Printing Ink Works, Philadelphin, C E Robinson, Proprietor. We have been using the ink manufactured at these works for a year past, and it has always proved satisfactory.—Mr. Robinson deserves the encouragement and patronage of the press, and of printers generally, for the following good and sufficient reasons, viz: First. He was the first to put down the price of printing ink to a reasonable figure. Becond, This ink equals, if if does not surpass in quality that of any ether manufacturer, while his prices are as low as any other; Third, Mr. Robinson is one of the most pleasant and accommodating gestlemen to deal with that we have ever met with. Besides his newspaper inks, he also manufacture the most superior and destrable The whole enlivened with affecting incidents full of interest and pathon. Fifty thousand so'd the last fire months. People will buy this, not withstanding the "hard times." It is a pleasure to sell it, for it is doing much good. The work is splendidly bound and illustrated. Address H.C.
