GENERAL ITEMS.

Quite an exciting debate took place in the English House of Lords Tuesday on the bill ampending the militia acts. Lord or Russell said that England now required full defensive powers, stating that the intrigues and perils of the continent were due to the uncertainty as to the course that would be pursued by England. In his opinion Great Britain need only demand the enforcement of existing treaties and Belgium would be saved. Earl Grand the enforcement of existing treaties and Belgium would be saved. Earl Grand the obligations of England to Belgium, he considered it needless and injudicious to discuss the subject with such publicity.

farming Implements, &c. DODGE'S PATENT REAPER AND MOWER AND SELF RAKER.

HIS machine has met with the most complete success. In every section where it has been introduced, it has taken precedence over those machines which have heretofore ranked as first class. It is a perfect Self-Raker and a superior Mower. A careful examination will convince any one of its superior merits over all others ice any one of caused by a defect in the road, cars or achinery, or by a want of diligence. The matter then dropped. In the House of Commons a proposition of the Government to enlist twenty thousand additional troops met with considerable favor, but no one by the French still continues, and larly is concentrating an army on the Robin for the conflict. Russia denies that abe defected the conflict. Russia denies that abe departed as a part of its the first of the conflict. Russia denies that abe defected the conflict.
