Medical.

Baltimore Lock Hospital.

DR. JOHNSTON,

Physician of this celebrated Institution, has discovered the most Certain, Speedy, Pleasant and Effectual Remedy in the World for all

DISEASES OF IMPRUDENCE,

Weakness of the Back, or Limbs, Strictures, Affections of the Kidneys, Gravel, Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the heart, Timidity, Trembling, Dimness of Sight, or Giddiness, Diseases of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from Solitary Habits of Youth—secret and solitary practices, more fatal to their victims, than the songs of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes, or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and employments of life, by the nauseating dreadful, deforming practice of self-abuse, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life is obstructed with the most painful embarrassments, and becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed to despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. Deluding all the constitutional symptoms of this horrid disease makes their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration till death puts a period to his dreadful sufferings, by sending him to that undiscovered country, "from whence no traveler returns."

It is a melancholy fact, that thousands FALL VICTIMS to this terrible disease, through failing into the hands of ignorant or Unskilful PRETENDERS, who, by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy sufferer months after month taking their nauseous or injurious compounds, and instead of being restored to a renewal of life, Vigor and happiness, in despair leave him with ruined Health, to sign over his galling disappointment.

To such, therefore, Dr. JOHNSTON pledges himself to preserve the most inviolable SECRECY, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, viz: England, France, Philadelphia and elsewhere, is enabled to offer the most Speedy, Certain and Effectual Remedy in the World for all diseases of Imprudence.

left hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number.

☞No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing symptoms.

There are so many Paltry, Designing and Worthless Imposters advertising themselves as Physicians, trifling with and PLUNDERING the health of all who unfortunately fall into their power, that Dr. Johnston deems it necessary to say especially to those unacquainted with his reputation, that his Credentials or Diplomas always hang in his office.

GOOD ENDORSEMENT OF THE PRESS.

The many thousands cured at this establishment, year after year, and the numerous Surgical Operations performed by Dr. Johnston witnessed by the representatives of the press and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

THE reputation this excellent medicine enjoys, and the cures it performs in curing many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which make their victims objects of charity, and shunned as pestilential contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and subtle tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, which excites a suspicion of its presence. Or it seems to breed infection through the body, and then, on a favorable occasion, rapidly develops into one or the other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the necessity of using a bottle of Sarsaparilla as divisible, even when only the use of this SARSAPARILLA: *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of *Scrofulous* disease. Also, in more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Neuralgia, Rheumatism,* and the various *Uterine* affections of the muscular and nervous systems.

Syphilis or Venereal and *Mercurial Diseases* are cured by it, though a long time is required for subduing those obstinate foes. In any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulcerations,* and *Female Weakness,* are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion or Inflammation of the Liver,* and *Jaundice,* when arising, as they often do
