the finest pulpit orators in 4 Other distinguished ministers wi on the occasion and during the Sa

VALUE OF ADVENTISING .- A w the New York Tribune makes this ble suggestion, which we comm business men generally:

Many a business man is afraid expense of advertising, and yet

expense of advertising, and yet y high rents for a prominent store to his wares, and put up expensive si seems not to know that both are in methods of advertising. The instances of men who hav fortunes by advertising are too in to question; but how have they do By exercising good judgment; by ing how, where and when to adve The whole secret is there. Adv has become a science, and unless it ples are adhered to, large amon money may be expended to no pur To advertise successfully require knowledge of the means than most ness men possess and more though

knowledge of the means than more ness men possess and more though they have time to bestow to it. many large houses find it profitable ploy competent men who make is specialty. I venture the opinion that every experienced in advertising will h out in saying that the business mi-controls the sale-of an article that s un actual want, need not fear to

an actual want, need not fear to an actual want, need not rear to largely in advertising, if he does intelligent tact and discrimination the use of the best means. Under

circumstances, he cannot fail of re-

COLD WEATHER .- As cold we

almost at hand, and every person required to have Winter Cloth

would remind them that Frank C

ham has just returned from the ci

a large assortment of Ready-Made ing of all kinds, also Cloths, Ca

Beavers, &c., which he is prep

a fortune.

Sabbath Oct. 22d and 23d. A church at this point has been
