Medical.

Baltimore Lock Hospital.

DR. JOHNSTON,

Physician of this celebrated Institution, has discovered the most Certain, Speedy, Pleasant and Effectual Remedy in the World for all

DISEASES OF IMPRUDENCE,

Weakness of the Back, or Limbs, Strictures, Affections of the Kidneys, or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the heart, Timidity, Trembling, Dimness of Sight, or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from Solitary Habits of Youth—SECRET and solitary practices, more fatal to their victims, than the songs of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes, or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

especially, who have become the Victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young Men contemplating marriage, aware of Physical Weakness, Loss of Procreative Power—Impotency, Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidentially rely upon his skill as a physician.

ORGANIC WEAKNESS.

IMPOTENCY, LOSS OF POWER.

Immediately Cured, and Full Vigor Restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny, that the power of procreation is lost sooner by those falling into improper habits, than by the prudent? Beside being deprived of the pleasures of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, and Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS.

Relief in Six Hours! No Mercury!

Persons Ruined by Ignorant, Trifling Pretenders, and their Deadly Poisons, should apply immediately

DR. JOHNSTON,

Member of the Royal College of Surgeons, London. Graduate of one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with derangement of mind, were cured immediately.

TAKE PARTICTLAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgences and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by the early habits of Youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects of the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and excitable, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and employments of life, by the indulgence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view, the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at length the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration till death puts a period to his dreadful sufferings, by sending him to that undiscovered country, "from whence no traveler returns."

It is a melancholy fact, that thousands DIE victims to this terrible disease, through falling into the hands of Ignorant or Unskillful PRETENDERS, who, by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, leave the unhappy sufferer month after month taking their noxious or injurious compounds, and instead of being restored to a renewal of life, health and happiness, in despair leave him with ruined Health, to sign over his galling disappointments.

To such, therefore, DR JOHNSTON pledges himself to preserve the most inviolable Secrecy, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, viz: England, France, Philadelphia and elsewhere, is enabled to offer the most Speedy Certain and Effectual Remedy in the World for all diseases of Imprudence.

DR. JOHNSTON,

OFFICE, 7 SOUTH FREDERICK STREET,

BALTIMORE, MD.,

left hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number.

☞No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing symptoms.

There are so many Empirics, Quacks and Worthless Impostors advertising themselves as Physicians, trifling with and ruining the health of all who unfortunately fall into their power, that Dr. Johnston deems it necessary to say especially to those unacquainted with his reputation, that his Credentials or Diplomas always hang in his office.

☞ADVERTISEMENT OF THE PRESS.

The many thousands cured at this establishment, year after year, and the numerous Surgical Operations performed by Dr. Johnston witnessed by the representatives of the press and many other persons, notices of which have appeared again and again in the publications, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED.

Ayer's Cathartic Pills,

FOR ALL THE PUPOSES OF A LAXATIVE MEDICINE.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is more reliable and more agreeable to take than other remedies. Those who have tried it, know it and feel assured of its virtues, and those who have not, know that it cannot be otherwise than what it is found to be, and all know that what it does once it does always. That it is always reliable, and that no failure or neglect of its composition, or want of freshness, can ever occur, thousands of certificates of their remarkable cures are constantly communicated, and the most eminent men in every neighborhood, and we need not publish them. Suffice it to say that in all conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by any body. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box for the following complaints, which these Pills rapidly cure:

For DYSPEPSIA or INDIGESTION, Listlessness, Languor, Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILIOUS HEADACHE, SICK HEADACHE, JAUNDICE or SKIN DISEASES, BILIOUS COLIC and BILIOUS FEVERS, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK AND LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such changes these complaints disappear.

For DROPSY and ITS KINDRED SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

For WORMS, FLUX in the STOMACH and BOWELS, they should be continuously taken, as required, to change the diseased action of the system. With such changes these complaints disappear.

For DROPSY and CHRONIC SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

AN DINNER PILL take one or two Pills to promote digestion and relax the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HUMOROUS.

ON a gate post in front of a farm-house in Illinois, is a sign which reads as follows "Take warnin'—No traes nor life inshurans, nor so-in-masheens, wanted heer."

A COUNTRY paper says there is a man in that neighborhood so mean, that he sits on the door-steps of the church on Sundays, to save the wear of his pew cushions.

A PERSON in prison was asked by a friend what it was for. "For telling lies?" "How is that?" demanded the other. "Why telling people I would pay 'em, and not keeping my word."

"THE Prussians attacked Nancy, yesterday," said a young man to his grandmother. "Well, well," said the old lady, wiping her spectacle, "I didn't think they'd be mean enough to strike a woman."

"WHY," said Bob Pittings to William Swipes, when he caught him drinking, "I thought you had signed the pledge. "So I have," said Swipes, "but all signs, you know, fall in dry weather."

A Western merchant is down on the newspaper. He says: "Thur ain't no sense in noospaper advertising so long as a man is smart enuff to tend to his own business, and kin stand at the door and holler the fellers in."

A Yankee boy recently took his sweetheart to one of the St. Louis hotels for dinner. Fishballs were on the table, but as the youth had never seen the article, he supposed they were doughnuts, and handed one to his companion. After breaking his own open, he carefully examined it, smelt at it, and said:

"Matilda, don't eat that doughnut—there's something dead in this!"

STRAWBERRY PLANTS.—These plants will do much better next season if protected through the winter. Care should be taken not to cover so deep as to smother, and yet enough put on to give the roots a shield against the action of frost. The strawberry plant is injured in the same way as wheat; it is not the cold, but the alternate freezing and thawing that does the injury. Any kind of litter, almost, makes a good mould. Old straw put between the rows and covered with dirt is good.

THE BEST AUTHORITY.—People who enjoy the discomfiture of lawyers—and who does not?—will laugh over this incident:

"I call upon you," said the counsellor, "to state distinctly upon what authority you are prepared to swear to the mare's age?"

"Upon what authority?" said the hostler interrogatively.

"You are to reply, and not to repeat the question put to you."

"I doesn't consider a man's bound to answer a question afore he's time to turn it in his own mind."

"Nothing can be more simple, sir, than the question I put. I again repeat it. Upon what authority do you swear to the animal's age?"

"The best authority," responded the gruffly.

Then why such an evasion? Why not state it at once?"

"Well, then, if you must have it—"

"Must, I will have it!" vociferated the counsellor interrupting the witness:

"Well, then, if you must and will have it, I considers the hoofter, with impertinent gravity, "why, then, I had it myself from the mare's own mouth."

A simultaneous burst of laughter rang through the court, and the judge on the bench could with difficulty confine his risible muscles to judicial decorum.

The Star and Sentinel.

THE TRUNDLE BED.

As I rumaged through the attic
List'nisig to the falling rain,
As it pattered on the shingles
And against the window pane,
Peeping over chests and boxes,
Which with dust were thickly spread,
Saw I'in the farthest corner
What was once my trundle bed.

So I drew it from the recess,
Where it had remained so long,
Hearing all the while the music
Of my mother's voice in song,
As she sung in sweetest accents,
What I since have often read—
"Hush, my babe, lie still and slumber,
Holy angels guard thy bed."

As I listened, recollections
That I thought had been forgot
Came, with all the gush of memory,
Rushing, thronging to the spot—
As I wandered back to childhood,
To those merry days of yore,
When I knelt beside my mother,
By this bed upon the floor.
