AN UNDENIABLE FACT.

Fall and Winter Goods Every Description of Work executed in

MEDICINES

uns pannul disease, it too often happens that an ill-timed sense, of ahame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him delaying ill the constitutional symptoms of this horrid disease imakes their appearance, such as ulcerated sore throat, diseased nose, hocturnal pains in the hiad and limbs, dimness of sight, deafteess, nodes on the shin bones and arms, blotches on the shead, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commisseration till death puts a period to his dreadful sufferings, by sending him to that undiscovered country, "from whence no traveler returns."

It is a melancholy fact, that thousands DIE victims to this terrible disease, through falling into the hands of Jignorant or Unskillful PletTKND.

ERS, who by the use of that deadiy Polson, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy sufferer mouth after nomin taking their noxious or injurious compounds, and instead of being restored to a renewal of Life, Vigor and happiness, in despair leave him with valued Health, to sign over his galling disappointment.

To such, therefore, Dr. Jounstroy shalose him. him with runned ageans, to sage over the disappointment.
To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable Secrecy, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, viz. England, France, Philadelphia and elsewhere, is enabled tooffer the most speedy. Certain and Effectual Remedy in the World for all discusses of Imprudence.

DR. JOHNSTON, OFFICE, 7 SOUTH FREDERICK STREET. left hand side going from Baltimore street, a few doors from the corner. Fall not to observe the doors from the corner. Fall not to observe the name and number.

23. No letters received unless postpald and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing symptoms.

There are so many Paltry, besigning and Worthless Imposters advertising themselves as Physicaps, trifling with and running the health of all who undertainately fall into their power, that Dr.

obnation deems it necessary to say especially hose unacquainted with his reputation, that bredentials or Diplomas always hang in his off ENDORSEMENT OF THE PRESS. The many thousands cured at this establish ment, year after year, and the numerous Surgica Operations performed by Dr. Johnston witnessed by the representatives of the press and many other persons, notices of which have appeared again before the public, besides his standing as a gentlethan of character and responsibility, is a sufficient guarantee to the afficient.

SKIN DISEASES SPEEDILY CURED.

March 11, 1870—1ylpr AYER'S SARSAPARILLA. FOR PURIFYING THE BLOOD.

they were painfully afflicting, have been ratifeally oursed in such great numbers in almost every section of the country, that the public scarcely need so be informed of its virtues or uses.

Berofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enterching or fatal diseases, which excites a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, one a favorable occasion, rapidly develops into one or the other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by cruptions on the skin, or foul ulcerations assume past of the tiddy. Hence the occasional use of a bettle of Sarasparilla is advisable, ever when no scive a symptoms of the disease appear. Persons smilled with the following complaints generally and mediate releif, and, at length, cure, by the use of this SARSAPARILLA. St. Anthony's fire, Rose or Eryspicias, Etter, Sail Raeum, Seald Head, Ringuoorm, Sore Eyes, Sore Eure, and other cruptions or visible forms of Scrotulous disease. Also, in more convenied forms, as Dyeneral President Peauling Heart Disease. Where they are prepared to furnish all kinds of Work in their line, such as

Neuralyia, and the various Utcerous anections the muscular and nervous systems.

Syphilis or Venereal and Aercurial Disea are cured by it, though a long time is required subdaing these obstinate maladies by shy methes. But long continued use of this medic will cure the complaint. Leucartices or Walterful Chertuins, and Female Diseases, commonly spon relieved and ultimately cure; commonly spon relieved and ultimately cure.

YOUNG MEN BY J. HOWARD WERT.

With the close of my first year's official onnection with the schools of the County, have been endeavoring to review the ducational work and progress of the year. in length to the teachers, directors, and Our progress may not be rapid—in fact so slow in some districts, that it is scarcely perceptible, but I believe, we are slowly advancing to a more elevated position.

especially, who have become the Victims of Soltary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brillent intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to cestary the living tyre, may call with full confidence. EDUCATIONAL PROGRESS. * Deblity, or any other disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentle-man, and confidentially rely upon his skill as a physician. ORGANIC WEAKNESS. IMPOTENCY. LOSS OF POWER. IMPOTENCY, LOSS OF POWER.

Inmediately Cured, and Rull Vlgor Restored.

This distressing affection—which renders life inserable and marriage impossible—is the penalty paid by the victims of improper indugences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny, that the power of procreation is lost sconer by those falling into improper habits, than by the prudent? Reside being deprived of the pleasures of healthy of spring, the destrictive symmetone of the processing and the p

year just passed. The same may be said of Mountpleasant,

reges in the United States, and the greater part of whose life has been spent in the Hospitals of Lon-don, Parls, Philadelphia and elsewhere, has effect-ed some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed atsudden sounds, bashfulness, with derangement of mind, were cured immediately.

miserable log buildings inconveniently cannot again grant a Certificate, unless I Phans. located. No other portion of the County so much | be something more than mere keepers of needs a new building as this Borough, schools. Some of them have undoubtedly There is not even an attempt at grading mistaken their profession. But I take

country, their pride of his parents, should be smatched from all prospects and employments of life, by the consequence of deviating from the part of nature, and indulging na certain secret habit Such persons must, before contemplating reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes is weary pilgrimage, the prospect hourly darkens to the view the mind become shadowed to despair, and all-d with the melan cludy reflection that the happiness of another is blighted with our own. their schools. When the misguided and improdent votary pleasure finds that he has imbibed the seeds this painful disease, it too often happens that a ill-timed sense of shame or dread of discovery countries.

ments, which gave the room a home ap-"Through all the dark -the gloomy pight The waning, waxing school-cause fight. Like Ajax, still our prayer is, Light." Furniture,-Some old buildings have seats, generally of the box-desk order. nanufactured by the work-men, who erect ases money would in the end be saved. vere the Boards to supply their buildings with some desk, like that manufactured vicite 30

Apparatus, -A large number of schools, probably sixty, were furnished last winter with the Pierce Magnetic Globe. Beyond this, there was no material addition to the appliances of our schools, with the excepion of Outline Maps obtained for a few schools. In many schools the B. B. surface is insufficient and of poor quality. Attendance at County Institute .-

Amongst the signs of the times indicating our onward, upward course, I would men tion the following:-A greater amount of time was granted our Teachers, for the purpose of attending our County Institute ast December, than has been any previous year. Many districts granted the enire time to those attending, and nearly all the remaining districts gave three days. The Board of York Springs Bor. ough, not only gave the time, but required heir teachers to attend, imposing a fine for every roll-call missed. An example worthy of imitation in other districts. Salaries and Terms .- In the matter Salary, there has been but little change

during the year. Mountjoy and Reading have for the first time abolished the odius distinction, which give a famale less pay than a male, for the same amount of ork, and that work, too often better done The Salaries have been slightly increased alaries of the Principals at Berlin, New eford and York Springs. There was a eduction in Tyrone and Berwick Borough. Very few of our live, energetic, competent teachers receive the compensation which

they deserve. The drones are dear at any The following districts during the year have added one month to their previous term, viz: Butler, Germany, Latimore Littlestown and York Springs Borough The following have added one-half month viz: Franklin, Hampton and Liberty. DUCATIONAL WORK DONE BY THE SUP-BRINTEDENT.

Examinations. -- I held twenty-four Pub-

c Examinations in the several districts. mmencing in Gettysburg, June 18th. and ending in Mountpleasant September 35th, 1869. In addition to the district examinations, I held subsequently in Gettysburg at regular intervals four general exformer. Notwithstanding this, I was music furnished by the schools. I was obliged to hold twenty private examinations during the year. During the year Marcy, ox-Superintendent of Luserne Ded Man was Beheaded by the said ax.

first .- N. Y. Sun. Push On .- A wise man will never run out. As long as he breaths the breath of

life he will be doing something for himself, his country or posterity. Washington, Franklin, Howard, Yonug, Newton, all were at work almost to the last hour of their existence. It is a foolish thing to believe that we must lie down and die simply because we are old. The man of energy is not old; it is only he that suffers his energies to waste away and permits the springs of his life to become motionless, on whose hands the hours drag heavily, and to whom all things wear the vestments of gloom. There are scores of gray heads living to-day that we would prefer in any enterprise to the young gentlemen who fear and tremble when shadows approach, and turn away at the first harsh
