Dr. R. W. Carr, of Baltimore, says:

I take pleasure in recommending your Rosadalls are very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself curred after having taken five bottles of your medicine. The other is a case of serofula ef long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalls is made, and find it an excellent compound of alterative ingredients.
