

THE GLOBE.

Huntingdon, Wednesday, August 27, 1856.

Line upon Line—Here and There a Little.

Handsome Dress Gowns—What every body says must be true. Call at Strons and see for yourselves.

The County Fair—Premium list in another column. A grand fair may be expected as everybody will have something on exhibition.

A Proposition—As there is no premium offered by the Fair Committee for the best specimen of printing, we propose to place in the hands of the proper committee the sum of \$25, the publishers of the Huntingdon Journal placing the like sum in the hands of some committee—the whole to be awarded to the office having on exhibition the handsomest specimens of the art. We hope there will be no backing out by our fancy neighbors. What say you?

Quiet—Our town, last Sunday—most folks went to Camp Meeting, there wasn't enough left to make a noise. We didn't hear any body asleep, neither. Success to the Camp meetings.

Vulgar—The remarks of the Altoona Tribune on that "cut story." A little below common decency. It is no more than the Huntingdon Globe in its topographical appearance and editorial Tuscumbia Register.

Thank you, friend Bessall, for the compliment. The democratic editors up here are progressive—as far as the mechanism of their papers are concerned—and leaving out ourselves—editorially, they are not often caught napping. Vide the Tyrone Democrat and Democratic Standard. If you don't want to be knocked into a "cocked hat" like the would-be editors of the Altoona Tribune and Huntingdon Rat-Organ, let 'em alone. Where'll see what a dust we make!

To return the compliment—Friend Bessall, of the "Tuscumbia Register" is doing good service for the democracy. The stick which he pricks Fremont is sharp. Hope you will be well rewarded for your labor—but trust this friendly, your excellent editorials would look and read so much better in a Globe-like suit. Try it on.

Miss Turner's Story—Gabe, of the Journal—Guess the Committee have awarded him a—permit to stay at home.

Improbable—Doctor Wm. Brewster is now deeply engaged in getting up a new article to bring gray hair back to its original color. He is determined to get ahead of Thos. Y. Chynola, the fancy barber.

Huntingdon Globe—The best looking paper in the county, O.—Iron Democrat, Tyrone.

Yes—the Globe is the "best looking," has the largest circulation in the county, and that is increasing—the best paying subscribers, and a corps of operatives that can't be beat! We apply do swim!

The Journal's Platform—1st plank—Falschold. 2nd plank—Abolitionism. 3rd plank—Know-Nothingism. 4th plank—Dissolution of the Union. 5th plank—A lie well stuck in as good as the truth. 6th plank—Fictitious votes. 7th plank—Butting. 8th plank—\$20 per cent. cheaper. 9th plank—Don't tell the truth when a lie will suit. 10th plank—If you tell a lie, it is gain-say, swear to it—11th plank—The biggest lies are and should be believed—practice them. 12th plank—Obtain office and money by any means. 13th plank—There is no honor in the world! Nix for schmy—Tyrone Democrat.

Dieer Deutsche schreibt nicht gefahrlos. Nichts verlohnt! Das wird Ihnen nicht gut gefallen.

The Old Rat of the Journal was in labor last week, and brought forth several little mice, which will give a passing notice, as follows:

"Mr. Nicholas Cresswell is a gentleman."—Journal. "You feel easier after the birth of that? But don't attempt it again—it might prove the death of you!"

"Mr. John Cresswell wears gold spectacles."—Journal. "Well, what if he does wear 'gold spectacles'? They didn't cost you anything—and besides, it's half as bad to wear a pair of gold spectacles that are paid for, as it is for a wealthy editor like 'granny' Brewster to stretch from the eyes of a poor journeyman printer a pair of silver spectacles worth about \$75 cents, because he was indebted to that amount, and had not the means to pay it! Mr. Cresswell would seem to do such an act. Now, don't talk about 'spectacles'—but, for the sake of consistency, suppose you and your 'juvenile associate' doff your suits of fine broad-cloth, and make your appearance in the chief synagogue and on the corners of the streets clad in a full suit of home-made flannel and check shirts! If it suits your taste to be consistent we will mention it as an instance of rare occurrence. What'd'ya think of the 'spectacle'?"

"Mr. John Long, will live a long time before he is elected to a judgeship. His recommendation is Locoocoism."—Journal.

You will not live a "long time before" you discover again how easy it is for you to be mistaken. Mr. Long has many "recommendations," but the one you mention, will be approved by a majority of the people in Huntingdon county. Your announcement is premature.

That's not by all the "Rats" in Christendom. Mr. Miller is a "tall man." He is "tall in stature"—tall as a cicizen—tall as a neighbor—tall in honor, honesty, and all the qualities requisite to make a man.

"God give us men! A time like this demands strong minds, great hearts, true faith, and ready hands; Men whom the love of office does not kill; Men whom the spoils of office cannot buy; Men who possess opinions and a will; Tall men, sunburned, who do not above the fog in public duty and in private thinking!"

Such a man is Mr. Miller—and such are the men who compose the whole Democratic County Ticket. Even the Huntingdon Journal cringes beneath the respect which it commands. It is unassailable.

The insinuation against "Squire Zimmerman" is not contemptible to notice. He is a gentleman of correct business habits, and of the strictest integrity, and highly respected by all who know him. He has a health that is a journal scribbler does not possess.

Mr. Atwater is a man in favorably known as the learned blacksmith."—Journal.

Yes, and he can hammer out any Black Republican you can put up against him. It is a great thing to be "favorably known" by a "ow-dawds."

TRANSPARENT—The late improvement on the Tyrone Iron Democrat—editorially and typographically. It takes like hot cakes in the "ancient borough."

The Republicans will hold a County Convention on Tuesday next, for the purpose of nominating a county ticket. The Delegates to be elected on Saturday next.

With fashions, pistols and dirt knives, the moral editors of the Journal, expect to elect Fremont.

"For a large, neatly bound volume of the Kansas Investigating Committee's Report, we are indebted to somebody in Washington, who we can't tell, as our postmaster here has had the impudence to tear off the wrapper."—Wm. Brewster & Son's G. Whittaker.

Brewster & Whittaker know by this time that they have allowed to their many sins another falsehood in making the above charge. We shall see whether they will make any correction.

An old line Whig writes the Boston Times that he has a nephew who wants to acquire a military education, and wants to know which would be the best—sending him to West Point, or to the Rev. Henry Ward Beecher.

Democratic camp-fires burn brightly in every State; and the Democratic army is united, is in the very best of spirits, and is eager for battle. The forces of the opposition are divided into guerrilla bands, the face of each looks haggard, and betrays a consciousness of signal defeat on the day fixed for the conflict.

PRELUDE—Our fans that MAX. GREENE of the Iron Democrat, might get his hands blistered. We take that back, as in all accounts, he was in advance of all others, and his sonant and impregnable as a rock! Stick there!

THE FOURTH DEGREE OF KNOW-NOTHINGISM.—In Wayne township, Clinton county, twenty-five Know-Nothings have taken their fourth degree—that is, withdrawing from the order. In Millard, Centre counties, fifteen have taken the same degree, and in Lewistown fifty-five. This looks like business. Know-Nothingism is progressing like a crab.

A SHAME—The performance on the gallery, in St. John's Episcopal Church last Sabbath afternoon, it would be better (if it could be made a rule) for parents to either make their children stay at home (those that can't behave) on the Sabbath day, or if not, at least, when they go to church to take them into the same van with themselves that they may have a chance to hinder them from annoying both the minister and the congregation.

The colored population in this "neck of woods" will hold a Camp Meeting at "Simpson's Bottom," or thereabouts—commencing on Friday.

WRECKERS.—The Deaton electoral ticket in Missouri has been withdrawn in favor of that of the anti-Deaton party—so that Buchanan has now an undivided party in that State.

The Germans of Hollidaysburg poll about 60 votes—all of which will go for Buchanan and Breckinridge.—The Standard says there are also four Germans in that town, who are Fremont men, but, unfortunately for the cause they advocate, they have no votes! When they are in this country the length of time prescribed by law to obtain a vote, they will probably ascertain that the Democrats are in favor of granting them the right of suffrage after a residence of five years, while one of the cardinal principles of the Fremont Know-Nothings is to pass a naturalization law to compel them to remain in the country twenty-one years before they can enjoy the rights of citizenship.

The following we clip from a Poem in the last Tyrone Democrat:

In the year eighteen hundred long ago, Old Nick wrote a Roman law, A sort of Shanghai rooster: "But after that he changed his plan, And made it something like a man, And named it Billy Brewster."

When treason called a pledged knave, To be a party's half-pay slave, A voice squeaked forth, "Yes Sir!" Then answered in a softer way, "I'm too far gone for salt to save! Before the Globe I'm bound to cave! And when I'm slumped, those babes will rave, Above the tainted broad Top grave Of mizzled Whittaker!" And echo said, "Poor widdy cur!"

Mr. Sumner in the Pennsylvania Mountains. This martyr to Free Kansas, Free Speech, and Free Niggers, as we stated in our last, is, or lately has been, rusticating at the house of Dr. Jackson, of Cresson. Since his arrival, what little sympathy was manifested for him in this neighborhood has entirely given way to feelings of deep disgust. There is nothing whatever the matter with him. He is hale and hearty, has a good appetite, and talks politics with all the bitter vindictiveness that a Yankee fanatic can command.

One day last week, Col. D. H. Hofius, an old line Whig, and J. Blair Moore, Democrat, of this place, and Col. J. J. Patterson, Republican, one of the editors of the Harrisburg Herald, visited Cresson. In company with a man named Gemmill, at the invitation of Dr. Jackson, they called upon Mr. Sumner, who received them very cordially. He soon asked Mr. Hofius how Mr. Ford had succeeded. The Colonel told him frankly that he did not succeed very well—that his meeting was composed of Democrats and Fillmore men—that very few Fremont men were present, in consequence of there being but few in the place.

This frank avowal irritated the gentlemen with the soft brain, and he poured forth a perfect torrent of invectives against Pennsylvanians. While emptying his vials of Black Republican wrath, he declared that the Whigs and Democrats of Pennsylvania were white slaves, and that he should glory in seeing them brought to the block, and disposed of under the auctioneer's hammer.

This unqualified assertion of the Yankee fanatic did not fail to arouse the indignation of the Pennsylvanians, and Col. Hofius made some tart reply, which only aggravated the martyr the more, and he showered abuse of the foulest kind upon Pennsylvanians indiscriminately, and when the party attempted to vindicate their State, the dignified Yankee Abolitionist coolly opened a Boston paper, and commenced reading. The party came away completely disgusted, and Col. Hofius, who previously felt great sympathy for the man before he uttered such atrocious sentiments, declares openly that his Honor earned a great many more canings than he has ever received.

Since the publication of the above, an eminent gentleman of Greensburg has received a letter from Dr. Jackson, who states that Mr. Sumner, in his recollection of the conversation, gives it as a remark made by him in quotation of John Randolph, but I cannot for my life see how this makes it better for the ungentlemanly Yankee, if it be the language of John Randolph, he, of course, adapts it to his own use, and rather than of his himself. But this is a fair sample of Black Republican argument. They denounce every body and everything that is not of their way of thinking, and suppose by it to drive us to support the candidate of Wall street speculators. Sumner is in the proper part of Pennsylvania to have repeated a dose of the same medicine administered to him, which one would think had quieted the bilge that he pumps from a dirty mind, and vitiated taste; and my advice is for him to remove to the more congenial sphere of Massachusetts fanaticism, where his billingsgate and vituperation will have more effect, for he will find that the law-abiding people of this State have no sympathy for a background of any kind.—Democratic Standard.

The New York Evening Post announces that, at Brooklyn, New York, "A CHURCH HAS BEEN DEDICATED TO FREEDOM AND FREEMONT!"

Where will Black Republican infidelity pause? When do they intend to crown and worship a Goddess of Reason? Their object is evidently not only to elect FREEMONT and restrict slavery, but to overthrow the constitution, sever the Union, and trample under foot Christianity itself. Such is the party that shrieks for Kansas and talks about liberty!

BALTIMORE IN A BRAZE.—The noble Democracy of the momentary City, held a meeting on Monday 18th, which was one of unparalleled enthusiasm. It is estimated that 20,000 persons were present. Hon. S. HILLER was President, and the Hon. REVEREND JOHNSON, former Whig Attorney-General of the United States, was first Vice President. Gen. Cass made a powerful speech.
