HUNTINGDON COUNTY AGRICULTURAL FAIR! -The Committee of Arrangements for the Agricultural Fair. to be held in this place next week, commencing on Wednesday, have been actively engaged ever since their appointment, in making all due and proper arrangements. Their work has been promptly and well done. It now remains for the people throughout our county, who are interested in Agricultural affairs-(and who is not?) -to turn out en masse and bring their articles of Agriculture and Manufacture for exhibition and examination. Let every onemale and female-old and young-bring think somebody else will have better articles on exhibition-bring the best you have, and if you fail to take a premium this fall, you can improve on it, until next fall. ### THE CATHOLIC QUESTION.

We have said before, and we repeat it, that it does not and never did appear to us a rational question, in determining a man's fitness for office, whether he is a Catholic or a Presbyterian. We have ever condemned the principle: it is anti-christian; and we have no respect for the individual who teaches or preaches it. But, upon this question, all know the course the Huntingdon Journal has pursued -all know that it has long been the repre-It has traduced members of the Catholic were appointed Secretaries. church without stint or measure-it has not

PETERSBURG, SEPT. 26, 1856. MR. LEWIS-The Democratic meeting held here to-day was the largest political assemblage that ever met in this place. The procession was formed at 1 o'clock P. M. by Gen. R. C. McGill, as Chief Marshal. Maj. Geo. Bell, Henry Davis, Capt. Thos. Bell, Assist-

ants. To the excellent music of the Excelsior Brass Band of Huntingdon, and the martial music from Alexandria and Shaver's Creek, the people were marched to a grove near town, where a stand and seats were erected.

CORRESPONDENCE OF THE GLOBE.

The People Moving!

The meeting was organized by the selection for President of Col. WM. Colon, of Huntingdon. Vice Presidents, Jno. Porter, Jacob Harncame, Geo. Jackson, Hiram Williamson, Alex. Oaks, Henry Davis, Robt. McBirney, Alex. Bell, Dr. D. Houtz, Jno. Hirst, Jonathan McAteer, Geo. Borst, David Greer, and Geo. McCrum. Secretaries, Dr. J. M. Gemmill, Thos. Bell, Geo. B. Porter, J. Longenecker, Jas. Clayton, and G. W. Wakefield. The President, in a neat speech, defined the political issues of the campaign, and presented the character of the different Presidential candidates for Statesmanship, fairly before the people. After which, R. B. Pctriken, Cyrus L. Pershing, Esgrs., Gen. A. P. Wilson, and Col. Jno. Cresswell, Jr., severally took the stand and ably acquitted themselves. The effect was, that every Democrat present, felt convinced that we have truth, something-don't neglect it because you may | justice and reason upon our side, and that our principles shall and will prevail. A large number of old line Whigs present, defined their position on the side of the experienced Statesman, Jas. Buchanan. Mr. PERSHING Statesman, Jas. Buchanan. Mr. PERSHING was a stranger amongst us, and made many valuable friends, as a man of his fluent ora-tory, high moral and intellectual qualities, The meeting closed in high glee, with three cheers for the ladies in attendance, and three

times three for Buchanan & Breckinridge.

# Democracy Still Active!

Quite a demonstration was made by the Democrats of Tod township on Saturday even ing 27th inst., at the Green School house, near Eagle Foundry. The turnout was goodevincing unmistakeable signs that the cause of democracy and the prospects of Buchanan and Breckinridge were growing brighter day by day.

The meeting was organized by calling ISAAC COOK, Esq., to the Chair, and Miles Mc-Hugh, Isaac McClain, George Buchanan, Ezeriah McClain and D. Hamilton, Vice Pressentative and advocate of the vilest bigotry. idents. Elijah French and John McGrath

Mr. LEWIS:-The canal from Huntingdon o Hollidaysburg, has been this summer in petter order than any of us could reasonably expect, from the excessive dryness of the season, and its "rickety" locks. The cause, no doubt, is attributable to the promptness of. the Supervisor, who is a vigilant officer, and good and efficient foremen under him; without whose promptness and efficiency, the 'ditch" would have been infinitely more difficult in navigating than any season since its completion. And amongst the foremen on this canal I think there is not one deserves more praise of the boatmen than FRANCIS CONNER, and who is almost universally awarded it-as an efficient and attentive foreman -a gentlemanly, courtcous and accommodating officer. His division (from Piper's dam to above Water-street) though amongst the hardest to keep in repair, is nevertheless, always in good navigable order. "Long may

Black Republican Sentiment. HENRY C. WRIGHT, who is lecturing for REMONT, in Michigan, has written a letter WM. LLOYD GARRISON, in which he gives utterance to the following infamous sentiment:

GLORIOUS CONSUMMATION BY RE-CENT EVENTS IN WASHINGTON AND KANSAS."

Traitor as he is, this fellow is honest. He Traitor as ne is, this fellow is honest. He utters boldly what all the other Black Repub-licans aim at and desire, but dare not say so at present for fear of public indignation .----With the many evidences of the disunion principles of the FREMONT Abolitionists which have been laid before the people, it is astonishing that he should be supported by so large a body of citizens as have rallied under his black banner. Treason is rife in the landand it behooves the patriotic. national men of all parties to rally together to put it down.

We clip the following paragraph from a late issue of one of our Ohio exchanges. We have no doubt but that Mr. Moore is correct in his surmises as to the origin of the Kansas news with which the Black Republican sheets are wont to gull their readers:

"Hon. Eli Moore, formerly a prominent member of Congress from New York city, has been a resident of Kansas for more than compton, June 20:

" The truth is, neither the New York Times nor Tribune has any correspondent in this place. This I know to be so.
