MONEY, MONEY, MONEY.—Why be without Money? when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars a day can be made, either by male or formale. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, and I will forward by return mail a circular, with full instructions in the art. The business is very easy. Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, that to pay twenty-five cents for a spurious advertisement. This is no humbug. Try it? Try it? Address your letters to DWIGHT MONROE, New York.
